**THE BIBLICAL WORLDVIEW BIG PICTURE SITUATION FROM ABOUT 1800 AD
(This is my understanding of what is happening now founded on the Bible and
observation of world events.)**

- * Beginning about 1800 AD the population began to increase exponentially.●¹ This required "special and efficient means to reach the people," including: **(1)** to draw people to Christ to believe the Gospel, to accomplish God's work, and to become mature in Christ-likeness; and **(2)** also for Satan in a fair spiritual warfare to prevent the people from having a true belief in the Gospel and accomplishing God's work.
- * To make the warfare fair and to reach people with the Gospel, and also allowing Satan to do more, God provided the following as the population was increasing exponentially:
 - (1)** The discovery of electricity, radio, and oil that has led to many ways (methods) to reach the world's people (of "extreme" increasing population) with the Gospel and God's Word, by bringing radio, TV, satellites, computers, the internet, telephones, cell phones, microphones, recorders, automobiles, air travel etc. (Of course the printing press helped with newspapers, books, etc. They all can be (are) used by God as well as by Satan to bring his messages and advertisements.)
 - (2)** God established the United States in the late 1700's as the greatest nation in all of history (God's endtimes most favored nation that He has most greatly blessed) to take the Gospel to the world (which she has done) allowing people to be saved and go to heaven and to be used as a method to implement the sequence by which God is now terminating history. (It is a similar sequence that God used with O.T. Israel that led to her termination as the most favored nation of her time.) We need to know this sequence in order to know how the endtimes unfold and to know and recognize the signs that are now here that warn of the soon-coming endtimes Tribulation. Satan uses this sequence to bring the endtimes Tribulation with world government over which he will largely rule that helps him personally to help prevent the elect from believing and/or accomplishing God's work.
 - (3)** Christ, by our observation, has now used TV and radio (including short wave; e.g. HCJB and FEBC), CEF, missionaries and their organizations, Sports Ministries, Overseas Crusades, Campus Crusades, general and personal witnessing, Bible schools, Gideons, home Bible studies, seminaries, local churches, Christian schools, home schooling, Billy

1. POPULATION GROWTH: See Appendix Two for a chart of the world's population growth. There were about 1 billion people living in 1800, about 3 billion in 1960, and about 7 billion now in 2012. This means the population today since 1800 has increased about 7 times and from 1960 about 2.3 times. (The population doubled from 1800 to about 1930.)

The Biblical Worldview Big Picture from about 1800 AD

Graham and other crusades, Gothard seminars, ham radio, etc.. (I used to be in ham radio even with a radio set in my car. I also used to fly small single engine airplanes.)

- * **In a must-know summary, this endtimes sequence that God is using to terminate history is as follows:**●² **(1)** God chooses a most favored nation. As God's most favored nation generally obeys God, the country gets great blessing. God has blessed the United States, as His endtimes favored nation (as He did O.T. Israel as a favored nation), however but by orders of magnitude more than any other nation in history including more than O.T. Israel;●³ **(2)** As God's true people (in the churches) in the favored nation fall away from His required obedient faith (having lost their excellence before Him), it allows the falling away of the country as a whole. (Satan works to bring both about.) This is "greatly" happening now. Signs (similar to those that were in Old Testament Israel under similar conditions just before world government invaded) signal loudly this is now happening;●⁴ **(3)** Then with increased falling away, God (allowing Satan) brings the military of the world government (empire in O.T. Israel times) with Calamity that places her and the world's nations under the rule of the world government for divine discipline (This can come very soon). This will be the endtimes Tribulation under the major rule of Satan that will bring major war against the Church, and no doubt against key Patriots. During this period, most all freedoms will be gone and the government will rule most everything. By the end of the Tribulation, there will be very few Christians alive;●⁵ ●⁶ **(4)** After the divine discipline period (the endtimes Tribulation) is

2. ENDTIMES SEQUENCE: The sequence is developed in my book: *Watchman Warning* pages 193-224 with details of the endtimes happenings pages 225-245.

3. THE CHARACTERISTICS OF THE UNITED STATES MATCH THOSE OF ISRAEL SHOWING SHE IS GOD'S ENDTIMES FAVORED NATION: These matching characteristics include: **(1)** begins in obedience, ends in disobedience; **(2)** Is more sinful than the surrounding nations; **(3)** no one believes that an enemy will ever take her over; **(4)** God makes her a beautiful and most successful nation, much-much more than all the other nations; **(5)** she is the center of nations; **(6)** trusts in her beauty and plays the role of a harlot in reverse - pays her lovers; **(7)** offers food to those who accept her harlotry; **(8)** she sacrifices her children (sex, abortion, drugs, false ideologies, etc.); **(9)** has biblical signs of apostasy in her endtime period; and **(10)** in her beginning, has a mandate to take the Gospel to the nations which she largely does. (See pages 217-220 of my book: *Watchman Warning* for characteristics with Scriptures.)

4. SOME OF THE ENDTIMES WARNING SIGNS (Now occurring at the "same" time): (See pages 31-34 of Chapter One of my book: *Watchman Warning* for many. **(1)** "great" inflation with great (severe) economic problems, severe weather (with fire storms and drought), "great tornadoes," earthquakes; **(2)** promoting same sex marriages and abortions; **(3)** increased sin in God's most favored nation; **(4)** a major falling away of the American churches; **(5)** actions to bring world government; **(6)** bad spiritual teachings in our schools; **(7)** aliens owning American property (such as China); **(8)** churches no longer enduring sound doctrine and doing things according to their own eyes; **(9)** children and youth are now growing up with the loud Devil's rock beat structured music; and **(10)** many youth having premarital sex;.

5. ENDTIMES HAPPENINGS: The following will most likely happen in some sequence and to some degree: **(1)** military invasion with some cities blown up, placing the U.S. and nations under world government; **(2)** shortages of goods, food, water, and gasoline; **(3)** power blackouts so people will not know what is happening - cannot communicate, and cannot pump gasoline; **(4)** there will be great killing disease; **(5)** the children and youth will be educated by the government for world government without their parent's permission; **(6)** Christians

over (completed), the heavenly court of holy angels sits in heaven and determines (by examining the books including the Books of Life and of Works) that Christ has won the spiritual warfare over Satan. All the elect did believe and all the elect did accomplish all of God's work. This determination gives Christ the authority now, according to the rules of the spiritual warfare, to Rapture of the Church and bring the final judgments. Christ then places all people with resurrection bodies into their eternal states and locations - the Church in heaven and unbelievers (with Satan and the fallen angels) into the Lake of Fire.●⁷

Now being In the endtimes sequence, many-many churches in the U.S. are now falling away (being transformed) from God's best (not recognized as happening by most churches) by a large amount. ●⁸ This has resulted, being the cause, in our country's falling away that will soon bring a severe Calamity that will bring the endtimes Tribulation used for divine discipline that our churches (us) will experience. This will lead afterwards to the Rapture and

5(...continued)

and Patriots (particularly leaders) will be arrested and many martyred; and (7) wars, and the above, to reduce the population.

6. AS THE WORLD ENDS. As the world ends, most people will have fallen away and be in great sin. The **world will not be Christianized before Christ comes again. There will be very few Christians alive after the Tribulation to be raptured at Christ's Coming, most having been martyred or died by other means. Luke 18:8 "..... However, when the Son of Man comes, will He find faith on the earth?"** (The meaning of the Greek is very little.)

7. UNBELIEVERS IN ETERNITY: Unbelievers go eternally to the Lake of Fire as another (alternative to the Cross) way needed and used by God to satisfy His Justice for sin. We should not want any of us to go there, especially members of our families. The environment is "most terrible:" (1) people, amongst other things, will be in eternal absolute blackness ("no light of any amount or of any kind"); (2) they will not know why they are there; (3) there will be weeping and gnashing of teeth; (4) they will not remember any of their past life; (5) they will be all alone and will never see another person forever; and (6) they will be in most terrible pain and agony. (The Bible states re Judas who betrayed Christ - it would have been better if he had not been born.) In heaven, it will be just the opposite. There will be only light with no darkness. There will be great blessing and no sin, pain, or sickness of any kind or any amount. It will be a most wonderful and perfect eternal relationship with the Lord Jesus Christ and God the Father. It will be the best possible life that exists.(Matthew 8:12; 10:14-15; 11:20-24; 13:12,30; 24:51; 25:29-30, 41,46; 27:45-50; 26:24; Revelation 20:10; 12-15; 21:8)

8. LARGE NUMBERS OF CHURCHES ARE BEING SATANICALLY TRANSFORMED (ARE FALLING AWAY): This falling away is producing immature churches with a loss of biblical intellect and having a very low plateau of biblical knowledge (This will result in a massive falling away in the coming persecution). **Over time, almost no one will know the Bible in any depth.** Characteristics of these falling away churches are that (in different amounts) they: (1) have abandoned standard church services (orthodoxy); (2) have abandoned the piano and the organ; (3) are using a loud drum band producing loud rock beat music; (4) teaching only low level fundamentals; (5) are wearing the most casual clothing; (6) are doing but little to evangelize the children out in the community; (7) use easy-to-read (paraphrase) Bibles; and (8) have changed the name of their Bible groups to community groups. Churches, now not being able to discern the difference between the holy (melody dominate music) and the profane (loud rock beat music) are going this route. This includes using low level teaching and the loud rock beat music to reach the youth who are now growing up under rock music and to gain numbers. **They are doing but little to maximumly mature their people using a sufficient curriculum representing a version of God's Whole Counsel.** They do not appear to be searching all the Scriptures for what God wants us to become and do to get there.

The Biblical Worldview Big Picture from about 1800 AD

to the termination of history. America will not (will never) be restored to her previous greatness before God.●⁹ There is much more here. You can see my website reports.

- * The Rapture (of both Jews and Gentiles) will (can only) occur: **(1)** after the “all nations” endtimes Tribulation (after the Mark-of-the-Beast Period); **(2)** after all people (both Jews and Gentiles - all ethnic groups - who are to live, have lived, and have made formal and binding decisions to receive or deny the Gospel in life or by death by the end of the Tribulation; **(3)** at the seventh (the last) trumpet ●¹⁰ “on the last day”●¹¹ that occurs after the endtimes Tribulation (for last day see John 6:40; 6:44; 11:24); and **(4)** after it has been determined (after the Tribulation) that Christ has actually won the spiritual warfare over Satan (this determination gives Christ, according to the rules of the spiritual warfare, the authority to rapture the church (consisting of both Jewish and Gentile believers), to bring the final judgments, and to cast Satan and His fallen angels into the Lake of Fire.)●¹²

9. RESTORATION OF AMERICA: The falling away of our country (the United States) can only be stopped or reversed by having a massive revival of her churches, not by changing the government. With church revival, then the government would follow. But because of our churches’ spiritual status in their falling away (no longer enduring sound doctrine and now doing things their ways), this needed revival will not happen, apart from pockets. Thus, the endtimes Tribulation will come without recourse as prophesied.

10. THE LAST TRUMPET: 1 Corinthians 15:51-52 *Behold, I tell you a mystery; we shall not all sleep, but we shall all be changed, in a moment, in the twinkling of an eye, **at the last trumpet**; for the trumpet will sound, and the dead will be raised imperishable, and we shall be changed. Revelation 11:15 And the seventh angel **sounded**; and there arose loud voices in heaven, saying, "The kingdom of the world has become the kingdom of our Lord, and of His Christ; and He will reign forever and ever."*

11. CONFIRMATION: The Rapture is confirmed as happening after the Tribulation because we go to be with Christ **on the Last Day**. Note the Scriptures: *John 6:44 "No one can come to Me, unless the Father who sent Me draws him; and I will raise him up **on the last day**. John 6:40 "For this is the will of My Father, that everyone who beholds the Son and believes in Him, may have eternal life; and I Myself will raise him up on the **last day**." John 11:24 Martha said to Him, "I know that he will rise again in the resurrection **on the last day**."*

12. INTERPRETATION OF PROPHECY: Because there are many doctrines and aspects to integrate, Bible interpreters have at least six different versions (views) of Bible prophecy. One major aspect is whether or not one believes Israel as a covenant nation will return such as in the Tribulation and/or in the 1000 years. However, In our view, where Israel had a “most important and key role” before Christ’s Crucifixion and Ascension, she has no role now as a nation under God that she once held. All believers (both Jews and Gentiles), are now one in Christ as His Church and are to proceed to becoming maximally mature in Christ-likeness for a maximum relationship with God in eternity. There are no future purposes of God to bring Israel back as a covenant nation (although Jewish believers can become Christians to be part of the Church). However, Satan has purpose of Israel’s return bringing her back in 1948 to make people believe wrongly the Church will be raptured before the Tribulation and that Jewish believers are not part of the Church. This is so believers will not pursue to become maximally mature in Christ and thus, not work efficiently to evangelize for people to become the elect and do God’s work. This is so the Church will not prepare and thus will be caught blind sided when the Calamity and Tribulation come. This will result in a major falling away. She will not prepare to become mature in Christ, so the elect will not believe or accomplish God’s work. God only returns Israel to her land in repentance. The current Israel in the land has no interest in the Savior. So Satan, not God, brought her back into the land, so believers would believe the wrong Pre-Tribulation Rapture and thus, not prepare for

Because Christ brings the Rapture on “the last day” (John 6:40, 44) this indicates the 1000 years of Revelation 20 will be but a day of time that 2 Peter 3:8 signals will be the case. Thus, there is no 1000 year on-earth Kingdom of God coming. And additionally, the Kingdom of God is ruled from heaven, not from the earth, by our Lord Jesus Christ. It is a relationship, not a physical, kingdom that Christ rules over the entire earth, beginning at least with His Ascension. (Acts 2:33-35; 7:49,55-56)

2 Peter 3:8 But do not let this one fact escape your notice, beloved, that with the Lord one day is as a thousand years, and a thousand years as one day.

- * In Summary, Satan has brought many observed methods as strategies - not God's way in the Bible - (believed wrongly by many churches to be okay) to lead: **(1)** people and churches to work all things together for their good themselves (using their and Satan's world methods - not only the Bible's), instead of trusting only God to do it, causing them to sin; **(2)** the churches now going in wrong directions, remain immature (not becoming mature) and become transformed down so people will have but little knowledge of the Bible including endtimes prophecy¹³ and the Christian life so that the work of the ministry, such as evangelization and discipleship, will “greatly decrease, especially out in the community;” **(3)** the churches to be much less sensitive to the Holy Spirit's leading that greatly occurs under loud rock beat music; and **(4)** the churches to become involved in non-biblical activities that take time and thus minimize God's work, including by pre-occupation with wrong things (such as false tongues and non-biblical devil's loud rock music). The use of loud rock beat music and low level teaching has greatly transformed our churches so that other required ministries are seriously effected and people will not understand Bible prophecy such that will not prepare for the Tribulation and be caught blind sided when it suddenly comes. Of course sodomy is used so the elect will not be born. **(Churches are now walking greatly by sight, not by sufficient needed faith. One can only gain and live by the righteousness of God (and learning the biblical spiritual relationship details) by a walk of faith to faith.)**

going through the Tribulation; and thus, will fall away under the coming persecution.

Galatians 3:28 There is neither Jew nor Greek, there is neither slave nor free man, there is neither male nor female; for you are all one in Christ Jesus.

Ephesians 2:13-16 But now in Christ Jesus you (Jews) who formerly were far off have been brought near by the blood of Christ. For He Himself is our peace, who made both groups (Jews and Gentiles) into one, and broke down the barrier of the dividing wall, by abolishing in His flesh the enmity, which is the Law of commandments contained in ordinances, that in Himself He might make the two (Jews and Gentiles) into one new man, thus establishing peace, and might reconcile them both (Jews and Gentiles) in one body to God through the cross, by it having put to death the enmity. (Comments: mine)

13. **HAVING LITTLE KNOWLEDGE OF PROPHECY:** People will not know what is happening when the Calamity and Tribulation come. They will fall away under the great persecution.

The Biblical Worldview Big Picture from about 1800 AD

- * **We, as being presented, are told in the Bible to walk as Christ walks.●¹⁴ He only did what came from the Father as a source, nothing from Himself as a source. We are to live this way now only living by what is in the Bible (from the Father) as a source. But now many churches are going their own way, apart from and in opposition to what the Bible teaches. They are working things together for their good from themselves and the world as a source, even using physical world signs, but also especially loud rock type music from the world. (Rock loud beat structured music is not in the Bible, and thus, should not be used in our churches. It brings negative spiritual results.)●¹⁵**

ENDTIME TRENDS (USING SATAN'S STRATEGIES) WITH WRONG THINGS ARE NOW GREATLY INCREASING - GOD'S BLESSINGS ARE GOING AWAY

(There are many things now happening wrongly in our churches that are causing the endtimes to come. What follows is to bring "an alert" to our churches of what is happening so they (we) can make needed changes. It is a message from a great loving concern.)

- * There are now most terrible wrong trend areas of false beliefs and practices influenced by Satan for his purposes ("not in the Bible"), causing our churches to fall away to bring the endtimes Tribulation. He has established false religious systems to keep people away from the true Gospel so they will not be saved and become the elect. They include: **(1)** believing wrongly in the Pre-Trib Rapture so people will not prepare for the endtimes and thus, will be caught blind sided when they come; **(2)** speaking in false tongues (from a spirit not of God) removing worship of God and preventing maximum maturity growth; (no one has spoken in biblical tongues●¹⁶ (always foreign languages, never ecstatic utterances) after about AD 70 -

14. WE ARE TO LIVE AS CHRIST WALKS: *1 John 2:6 the one (us) who says he abides in Him (Christ) ought himself to walk in the same manner as He walked. John 14:10-11 "Do you not believe that I am in the Father, and the Father is in Me? The words that I say to you I do not speak on My own initiative, but the Father abiding in Me does His works. "Believe Me that I am in the Father, and the Father in Me; otherwise believe on account of the works themselves. John 12:49 "For I did not speak on My own initiative, but the Father Himself who sent Me has given Me commandment, what to say, and what to speak. (Comments: Mine)*

15. GREAT CHURCH: I attended a church in the 1980's that was on fire for Christ and His work. We had in-depth-breadth expository verse by verse preaching in church services Sunday morning, Sunday night, and Wednesday night. We sang the hymns (melody) from our hearts. We did regular evangelism out in the community with several water baptisms of new converts most months. I taught Christian-Life Relationship Principles to the adults in the Sunday School and in Saturday seminars. We had great choirs. We supported many missionaries. This was the time of a Billy Graham crusade and Dobson seminars. We had many visiting preachers and singers. There was great life in the church everywhere with great expectation for what God would do next. (All this is gone now.)

16. PURPOSE OF TONGUES: Tongues were always foreign languages telling Israel only at the time of Christ's Ascension that the Gospel and God's Plan was now going to the Gentiles, and that their exclusive relationship to God was now over. The speaker did not know the language spoken, and the listeners heard what was spoken in his language even though there were people their who spoke different languages. Tongues had no purpose after about AD 70 when the Romans destroyed the temple and terminated Israel. Tongues were never ecstatic utterances, such as falsely spoken today. Tongues have nothing to do with spiritual power or the Baptism of the Holy Spirit. I can send you my paper re tongues today and their purpose: *The Apostasy of Tongues..* **THE BIBLICAL BAPTISM OF THE HOLY SPIRIT:** The baptism of the Holy Spirit was the event

The Biblical Worldview Big Picture from about 1800 AD

they have no purpose today);●¹⁷ **(3)** using the world's and devil's loud rock music ●¹⁸ with limited teaching so our churches will be (are being) transformed away from God's best to become immature churches and to give him worship.●¹⁹ (God's method for music is to sing melody from the heart unto the Lord when filled with the Holy Spirit and to train with God's Whole Counsel to become maximumly mature in Christ-likeness.●²⁰) (It is not wrong to use trumpet toots and drum beats for they can bring fun and life to the music. But they must not be dominate. Melody must remain dominate (mostly at normal or at low varying volume) to bring worship to God (there can be occasional trumpet toots, and drum beats); **(4)** having many churches believing God, has predestined the elect to believe, will somehow save the elect without having them doing much (sufficient) evangelism out in the community (that God commands that we do) (their practice demonstrates this); **(5)** having abortion and same-sex marriages to keep the elect from being born and give him more power to rule; **(6) having**

16(...continued)

when the new believer was spiritually crucified with Christ and rising from the dead, the believer received a new divine nature that gave him eternal security. The baptism of the Holy Spirit has nothing to do with special spiritual power as wrongly practiced today (by a spirit not of God).

17. BIBLICAL TONGUES WILL CEASE: *1 Corinthians 13:8 Love never fails; but if there are gifts of prophecy, they will be done away; if there are tongues, they will cease; if there is knowledge, it will be done away.*

18. RESEARCH ON ROCK MUSIC: Rock beat structured music is not in the Bible, and thus, must not be used. Doing the research as many and I have, you will find that structure and loudness of loud rock type beat music was used in Voodooism and the cults to call up evil spirits and demons - **its use is sin**, satanic, and can bring worship to Satan. It is being used by Satan now to transform our churches away from God's best to his ways - it is not of God. **Churches must do their own research on this type music. If they will, they will avoid using it and thus, avoid major sin.**

19. SIN OF USING ROCK MUSIC AND LIMITED TEACHING: Using loud rock beat type music with limited teaching is a product of satanic strategy for **churches attempting wrongly to work all things together for their (satanic) good (not for God's way for the people's good)**. Their use is transforming our churches away from God desire for our churches to become mature in Christ-likeness. (Churches use the rock music and limited training so the youth will attend church, and by attending will not learn much of the Bible.)

20. (1) MUSIC THAT WORSHIPS GOD; (2) AND THAT WE ARE TO TRAIN WITH A VERSION OF GOD'S WHOLE COUNSEL OR PURPOSE: *Ephesians 5:18-19but be filled with the Spirit, speaking to one another in psalms and hymns and spiritual songs, singing and making melody with your heart to the Lord; At the Lord's supper: Matthew 26:30 And after singing a hymn, they went out to the Mount of Olives.*

Acts 20:26-27 "Therefore I testify to you this day, that I am innocent of the blood of all men. "For I did not shrink from declaring to you the whole purpose (counsel) of God. (Comment: Mine.)

THE GREATEST WORSHIP I HAVE EXPERIENCED; AWESOME AND GREAT SPIRITUAL SINGING: I attended a Child Evangelism Fellowship (CEF) international conference where there were 1100 people from 87 different nations attending. **"ALL"** the people were in the ministry, **"ALL"** the people were Christians and "highly committed" to Christ, and **"ALL"** the people had led tens of kids to Christ. When they sang the great hymn: *To God be the Glory*, it was absolutely awesome. They were singing from their hearts, souls, and spirits unto the God they love and serve. The tears ran down my face. Such great worship is not possible under rock music. They had this great and wonderful worship because God had used them greatly in the ministry. They saw His greatness at work when He brought salvation to people, especially to the children.

The Biblical Worldview Big Picture from about 1800 AD

young people now growing up to be pre-occupied with the Devil's loud rock music and very limited Bible teaching. This is so the churches will wrongly have to use them then in order for the youth to attend, and over time, almost no one will any longer know the Bible in any depth or detail, including Bible prophecy. They will not know what is happening when the Calamity and Tribulation come.●²¹ This will give him (Satan) more power and worship in the coming endtimes Tribulation (have fewer of the elect believe and accomplish God's work - many will believe wrongly and many will die in the Tribulation from disease and martyrdom); and **(7)** having young people to be involved in pre-marital sex and same sex activities to have sin that keeps them from learning Biblical truth, and being used greatly by God (having sex is a great driving force). All of these reduce the ministry and keep Christians from becoming maximumly mature in Christ-likeness. It keeps the churches: **(a)** from knowing what will happen when the endtimes come, and thus, as being presented, will fall away from the faith by the persecution and even believe wrongly; and **(b)** from working to prepare their people for the endtimes coming so they will be caught blind-sided. **(Churches are acting now most wrongly as if the present good times will continue (last) indefinitely without bad times coming for which they are not preparing - major oversight. They will be caught blind sided which is Satan's strategy. Not being matured in Christ and now knowing but little of the Scriptures, they will be part of a massive falling away caused by severe persecution in the coming Calamity and Tribulation.)**

- * **What has been happening then is that Satan has been working with the children to listen to his loud rock beat and like music from their youth. So people, in order for their children wanting to come, do not want to come to church unless this music is used. This has transformed and is transforming our churches downward. Satan has also been working in the schools to dumb down their training.**
- * Because our churches do not appear to be going anywhere other than having a most fundamental teaching sermon and Sunday School, many of our youth no longer go to church after they go to college. Why go to a church that has no real meaning and is not going anywhere? I have a paper, you can request, on the subject and there is a book on the subject: *Already Gone*.
- * If we love God and want to glorify Him, we must understand the following. The only way we can glorify God is to obey what comes from Him as a source - that which represents Him - for who and what He is. This is how our Lord lives as our example and role model.●²² God

21. **CATCH 21 SITUATION:** Churches today, no longer eternity oriented to maximally mature their people in Christ-likeness and no longer enduring sound doctrine are working mostly or largely for numbers. Doing so they have to use loud rock beat type music and low level teaching for the youth and young people to come. However, such music is not in the Bible and should not be used. Its use is satanic strategy to have our churches fall away. Churches must use it to have the youth come and to have their gifting that allows the churches to pay their bills. Thus, there is a catch 22 - It is spiritually wrong to use the music, but in order to stay in business they must use it..

22.**TO GLORIFY GOD:** *John 17:4 "I (Christ) glorified Thee on the earth, having accomplished the work which (continued...)*

The Biblical Worldview Big Picture from about 1800 AD

does not accept anything from us (as a source) that represents our glory (*John 5:41 "I do not receive glory from men.*). **Thus, when we use loud rock beat type and like loud music that comes from the world, as a source (not in the Bible, not being from God as a source), it does not and cannot bring glory or worship to Him. It most greatly brings Him dishonor.** Satan is using this type music with limited teaching to have our churches fall away, being transformed to be an immature church with a loss of biblical intellect and having a low plateau of Bible knowledge. **(One cannot mature the Church with this (combined) procedure.)**

- * **When we get to heaven and appear before Christ, are we going to fall on our knees before Him singing from our hearts in melody *How Great Thou Art*, or we are going to dance, moving our bodies around before Him using loud rock music? You know my answer. (If we will not do it then, then why do we do it now? Can we “actually” worship God, accepted by Him, by doing it now?)**●²³
- * Have many churches actually taught Bible prophecy in any depth over the past few years? Some churches have not taught prophecy in depth from the pulpit for many years.
- * It is hard for me to believe that anyone can become (or be) maximumly mature in Christ-likeness that promotes or attends the rock music services and/or allows good, but does not promote and use in-depth expository training with many examples and testimony. Training (needed in the pulpit and Sunday School) must include a version of God’s Whole Counsel: what to do, how to do it, examples for how to do it, testimony from the preacher or teacher (and congregation) for how he (or she) did it, and place people into places of on-the-job training. People do not gain maturity until after they live out, not just know, the principles (mainly knowing just the principles gives us information, but not living life - we must live them out by love and faith). People need to observe this living out in our leaders as a testimonial example to follow. Just having a good sermon of mainly knowledge content, certainly is helpful, but does not (can not) get the job done, at least with excellence.
- * **Thus, in summary, our churches, are now working with priority most often for numbers and some Christian growth without also (at a higher priority) maximumly maturing their own people (as first priority - do they know how and that they should?).** The highest Biblical priority of the Church is to mature their own people, not gain numbers, even though both should (must) be done. Churches of course do many good things and work for some Christian growth, but do they work, with excellence, to bring their people to maximum maturity? (Do they know how?; Do they know the needed teachings?) Thus, they are not working to prepare their people to have a maximum walk with God by faith and love needed for eternity (and to stand strong, without falling away from the then needed

WE ARE TO BOW: *Philippians 2:9-11 Therefore also God highly exalted Him, and bestowed on Him the name which is above every name, that at the name of Jesus every knee should bow, of those who are in heaven, and on earth, and under the earth, and that every tongue should confess that Jesus Christ is Lord, to the glory of God the Father.*

obedience to God, from the great persecution in the endtimes Tribulation). This is sin, not taking care of their own (one who does not care for their own people is worse than an unbeliever●²⁴). Our young people are now growing up with but little knowledge of the Bible including endtimes Bible prophecy and what brings the maximum Christian life. Many youth today, as presented, are leaving the church when they attend college. (Why attend when the churches are not going anywhere?) (Thus, what we have today could be called a version of a lukewarm church.)

- * **As presented, God has left it as a matter of faith without a declarative or direct teaching whether or not that the maturity we have at death we will have forever. But there are very strong reasons to believe that the maturity we have at death we will have forever.** Current history is meant to bring this result. We are here now to gain this maturity by command. We will not (cannot) make mistakes (sin) in heaven because we will no longer have our sin natures and the Devil to deceive us will not be in heaven. In heaven, God will direct every thought and action we will have commensurate with the maturity developed now in our divine natures. **It will be God all in all.**
- * **Churches, as presented, need to search the entire Bible for a complete detailed description of what constitutes a maximally mature believer (outcome) and for all the steps needed to live out experientially to get there (procedure). A mature Christian will live out the steps. We should place our study results in a computer and update them as we learn more. Have our Church people read them. (See my documents referenced in the next section - in a footnote.) Then do nothing else. Until churches do this, they will fall short, whether or not our maturity level is fixed forever at death. “If we pursue maturity now, we will have the best of God either way and will be obedient to His command.” And walking with our infinite and most perfect God in His excellence is all there is. Then we will have a maximum relationship with each other. As stated, apart from having this only perfect life that exists from and with God, what else can there be? There is nothing else except for unbelievers to spend eternity in the Lake of Fire. (For emphasis, we must know that the Bible does not teach our maturities “will increase” in heaven, but doctrines signal they will not. They are used under God in heaven for us to experience the greatest life and most wonderful environment that exists with God all in all (the details of which we cannot know now).●²⁵**

MINIMUM CHARACTERISTICS (TOPICS) NEEDED TO BE LIVED OUT EXPERIENTIALLY TO BECOME AND BE LIVING MATURE

many inputs from others (this needed information is contained in my web site documents ●²⁶ and training ppt charts ●²⁷). Churches can use my ppt charts to train their people. I continue to search for more needed topics. These minimum topics are as follows:

So how do we become mature in Christ-likeness? **We must live by (embody) what comes from God as a source modeled after the triunity and Image of God (See Appendix One). The minimum categories (topics) that are at least needed to be lived out experientially and help us become maximumly mature in Christ-likeness, trusting God to lead us and bring the needed results, working all things together for good, include (When we are mature, we will be living them out.):** (1) knowing and loving God's infinite attributes, and thus, living to glorify God in His Greatness, by obeying Him (that which represents and comes from Him); (2) living in head-subordinate relationships (especially in marriage) patterned after the one God the Father has with Christ; (3) living as Christ does by doing only that which comes from the Father as a source (today - living out only the teachings from the Holy Bible (best translation) being from God as a source), nothing from us or the world as a source; (4) living by great love of God obeying His commandments (we must know them) - this includes sacrificially serving and helping others (then we live holy and righteous lives and get to know God); (5) living by faith in God to fulfill His promises (we activate our faith by obeying the instructions with the promises) and in Him to work all things together for good in our lives without our having to know all the details in advance. (then we live without sin and gain revelation from the Scriptures, because all is from God.) (We must know the promises and memorize them); (6) knowing and living by the Beatitudes and the requirements for church leadership; (7) **worshiping, honoring, and glorifying God by singing melody from our hearts unto Him, using hymns and like music when filled with the Holy Spirit - avoiding using loud rock type music;** (8) helping to accomplish God's ministry (work), both local and world wide, including: (a) evangelizing the children and adults - especially out in the communities; (b) disciple our people to become maximumly mature - not just work for Christian growth; (c) planting new churches; (d) building godly families; and (e) reaching out to and helping the needy; (9) knowing and standing strong on the basic doctrines of the Christian faith (I have my own doctrinal statement); and (10) having a strong personal devotional life to God where we regularly read our Bibles, and pray about all things and people that God places on our hearts.

SUMMARY

To become mature (developing maturity), we must live in an environment where we can make right or wrong choices or we do not know which choice to make or even know that we need to make a choice. In the development of our maturity, God has established a developing environment of spiritual warfare where either right or wrong decisions and actions can be

chosen. To establish this environment, God established a spiritual warfare between Christ and Satan (an angel). The issue in the warfare is who is the only one can work all things together for good. God, being omniscient, listed the elect whom He knew would choose Him and His works He knew they would do by their choice, as led by Him. Thus, He draws them to Himself. Neither Christ nor Satan could know this information in advance. Being led of God, Christ works to have all the elect believe and do all of God's chosen works. He must do so to win the warfare. **Then it will be shown that God alone can work all things together for good.** Satan works to prevent at least one of the named elect from choosing God and/or prevent one of God's chosen works from being accomplished. He must do so to win the warfare. If he should win, he would be allowed by God do rule over all people and angels forever. He would then demonstrate that he also can work all things together for his good. If he loses, and he will, he, and his fallen angels, will be cast into the Lake of Fire forever. The decision for who wins the warfare will be made by the heavenly court of holy angels after 6000 years of human history, after all people have lived and after they have made formal and binding decisions to accept or to deny the Gospel in life or by death. Having showed from the books of recordings that Christ has won the warfare, He is now given the authority to rapture the Church (believers) and bring the resurrections and final judgments. These will happen "after" the Tribulation. Then, as believers, we will be resurrected to live with Christ and each other in heaven forever (in a new Jerusalem and a new earth forever). Satan and his angels and all unbelievers will be cast into the Lake of Fire forever. **The world will not be Christianized, as some believe, before Christ comes again.**

We must thoroughly know and remember, that we have an infinite most perfect God (the God of the Bible). There are no other gods. He will give us the greatest life in eternity that is possible (that exists). We can have the greatest life if we gain, in this lifetime, the greatest maturity in Christ-likeness we can have. Thus, with excellence, we should seek to gain this maturity as God commands with extreme excellence, helping and supporting each other. In the eternal view, there is nothing else.

TIMING OF KEY ENDTIME CONSIDERATIONS THAT ALLOW US TO BETTER UNDERSTAND ENDTIMES PROPHECY: (a) The Tribulation begins after the churches in God's endtimes favored nation (the United States) sufficiently fall away from God's required obedient faith; (b) The Rapture can only occur after all people who are to live have lived and have made formal decisions in life or by death to receive or deny the Gospel - thus it can only occur after the Tribulation; (c) Christ's Second Coming, when He brings the Rapture and the final judgements, can only occur after the endtimes Tribulation when (after) the heavenly court at that time gives Him the authority that it does after declaring He is the winner of the spiritual warfare between Him and Satan.

WHAT CHURCHES MUST NOW DO "WITH URGENCY:" We must now in preparation for the endtimes and eternity, alert and warn our people to prepare (and help them and they us). (Have them read this document.) Thus, to accomplish this, we should (must) do the following "now with utmost urgency and excellence:"

(1) Take steps to mature our people maximumly in Christ-likeness with a set of topics that represent God's Whole Counsel taken from the entire Bible. Train our people to live out the topics by sharing what to do, how to do it, examples for how to do it, testimony for how the

The Biblical Worldview Big Picture from about 1800 AD

teacher did it, and placing their people in several ways of on-the-job training. They must live out what they are learning. The training can be partly accomplished by the pulpit, Sunday school, seminars, and special classes. But because the training time remaining “can be short,” seminars are a good way, with audience participation. (See our list presented and my documents on my web site, as a start.);

(2) With high priority, go all out to evangelize and disciple the children out in the community (It is good to work with Child Evangelism Fellowship (CEF)●²⁸ to bring the training and get the schools and establish summer 5-day clubs and after-school Bible clubs - we can train all our church people to evangelize adults.); **(Statistics show that 85% of those becoming Christians do so in the age range of 4-14 and many adult ministers (e.g. Billy Graham) were saved as children.)**

THE CHILDREN AND YOUTH SITUATION: With the Tribulation soon coming that will last but a limited number of years to the Rapture, our children and youth, living now (then), will not live long normal life spans. The youngest children may not ever graduate from high school, go to college, or get married. We must “go all out now” to evangelize them and train them to become mature in Christ-likeness “with great urgency,” while we still can.

(3) Warn our people of the coming endtimes and help them prepare (store water, food goods, personal items, flash lights, kerosene lamps and candles with matches, crank (including short wave) radios, keep gasoline tanks full, have devices that store electricity for a period, or solar arrays with batteries etc.;

(4) Place our people into independent underground home Bible and worship groups of people who live near each other and keep a low profile (they can continue to worship and do ministry after our church buildings are closed by the government);

(5) Work with individuals to pull them out of the rock music services into the hymn services. Go to expository verse by verse preaching, presenting many examples and testimonials in the hymn services.

(6) Have our missionaries and pastors now get additional sources of income, including jobs, for when the incomes (people’s financial support) to our churches will be greatly reduced.

(7) GETTING THE NEEDED JOB IN THE SHORT TIME ALLOTTED; In order to accomplish the recommendations immediately in the limited time remaining before the Calamity and Tribulation come, it can be best to establish a leadership-action committee of mature people under the elders who: (1) know how to do ministry; and (2) will see to it that all the works gets planned (outcome) and gets accomplished (procedure). They can select people and needed curriculums etc.

(8) DON’T LET THIS HAPPEN TO YOU: Your people, in the Tribulation, crying out why

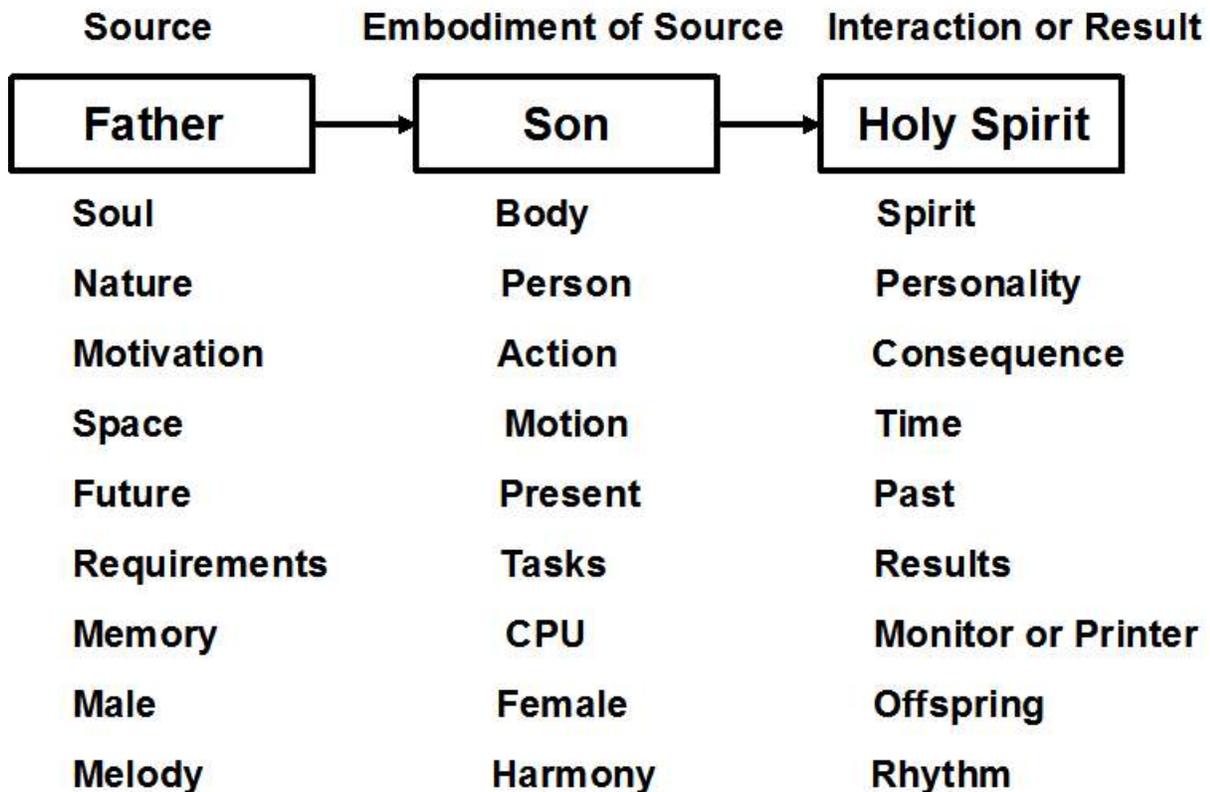

28. **MINISTRY OF CEF:** CEF works in over 90 countries and works to lead over 12 million (150,000 to 200,000 in the United States) kids to Christ each year using good resultant methods such as summer 5-day clubs and school year after school clubs.

did you not warn me about the coming Tribulation so I could have prepared and gained more maturity in Christ? Why did you not tell me? Will you not grieve when this happens?
