

**FROM BIBLICAL WORLDVIEW MINISTRIES**  
(Introductory letter for “must read” attached report.)

**Updated 9-16-11**

**DEAR:** Church Elders and Pastors: (I am writing this report to all churches, but writing as if it were my church.)

**FROM:** John Stephenson (I am sending this from my love of our church, to bring added value, and to fulfill my watchman job under God's leading.)

**SUBJECT: Watchman Type Warning-Prepare, The Endtimes are Soon Coming: (1) Crucial Endtimes Understandings We Must Know; (2) Ministries We Must Now “Urgently Carry Out;” (3) “Severe Penalties” For Ourselves and Especially For Our People If We Do Not; and (4) We Must Know the Big Picture for How and Why the Endtimes Are Now Unfolding.●<sup>1</sup>**

**LETTER (AND ATTACHED REPORT) PURPOSE:** Have us understand: **(1)** the present prophecy situation; **(2)** God wants us to become maximumly mature in Christ-likeness for eternity. We must immediately train to become maximumly mature; **(3)** to be alerted and prepared to go through the very soon coming endtimes Tribulation; and **(4)** to know what is happening (to us) when the Calamity and Tribulation come.

**IMMEDIATE NEEDED RECOMMENDED ACTION**

**RECOMMENDED “IMMEDIATE ACTION:** Please “urgently read” this letter and the “entire” attached report: *Prepare “Now” for Going Through the Soon-coming Endtimes, Bringing the Tribulation, Rapture, and Christ’s Second Coming: “Helps To Urgently Prepare Our People.”* (The needed biblical details, background, and understanding are given in this attached report that show unambiguously the Rapture comes Post-Tribulation, not Pre-Tribulation. **Then, urgently carry out the recommended actions below and in the attached report.** I am willing to help.●<sup>2</sup> My prayer is that we: **(1)** will be a great example church before God and to other churches; **(2)** will alert, mature, and prepare our people for going through the soon coming most terrible endtimes and especially for going into eternity; and **(3)** will know why and what will happen as we will go through the endtimes.●<sup>3</sup> **We must come to unity in this matter, and under no circumstances ignore the situation.** We should review our actual situation (realizing we most likely are being transformed),

---

1. **SITUATION:** The times now are most critical with but little training and preparation time remaining. The signs now signal most loudly that the endtimes can come at any time. Just look at the out-of-whack budget, the severe weather, a push to same sex and multiple spouse marriages, effort to bring world government, and much more. We must alert, prepare, and train our people, and not let them be caught uninformed and blind sided. Our churches are acting “most wrongly” as if the current good times will continue long term - major-major mistake. Most American churches today are falling away, no longer pursuing God’s best, and are using worldly principles. They are being (have been) transformed to be like the world. **Some churches even use a world symbol on their signs, publications, and bulletins, instead of the Cross upon which we stand.**

2. **WE MUST URGENTLY HELP OUR PEOPLE:** We must give great help to maximumly mature our people in Christ-likeness for eternity and warn, prepare, and alert them “urgently” “before” their going through the very soon-coming endtimes. We must not let them be caught blind-sided and not knowing what is happening. **Some churches may not have taught Bible prophecy in any depth from their pulpits for a long time, and then a wrong view.** Most of our people, including our youth, most likely do not know endtimes prophecy. (I have studied it in depth. I have read over 50 books on the subject and have written many reports and a book.) **What prophecy view to the elders have? Our elders and pastors may have different views or no view. The details of prophecy are complex. It takes time to study. God, using my system engineering training, has led me study prophecy. Our elders and our people should know that not knowing endtimes prophecy is satanic strategy so they will not work to sufficiently mature their people and so the people will be caught blind sided and then fall away in the endtimes Tribulation.**

3. **MY BACKGROUND:** The attached report is one of my latest that God has led me to prepare, integrating God’s Plan for History (for us to become maximumly mature in Christ-likeness), Endtimes Prophecy, and Christian Life Relationship Principles (CLRP). I have taught CLRP in the church and home studies for many years including in seminars. My many reports (majoring in the above subjects) and the attached report are free on my web site: [biblicalworldviewministries.com](http://biblicalworldviewministries.com).

comparing it to Scripture, and making needed changes especially preparing for going through the endtimes and being maximumly matured in Christ-likeness (not just working for spiritual growth) needed for eternity.

## THE SITUATION

Signs (listed in the attached report with some in footnote #1) “now signal most loudly” that a most serious Calamity is “very soon coming” (only God knowing precise time), coming suddenly without warning like A SUDDEN EARTHQUAKE, that will place our country and our churches into Revelation’s Endtimes Tribulation under world government. **Doctrines (see attached report) teach unambiguously the Church’s Rapture will come Post Tribulation. Our churches will go through the endtimes Tribulation because their current falling away across our country is a primary cause of its coming. PLEASE GIVE THE SITUATION A MATTER OF VERY URGENT AND MOST SERIOUS PRAYER FOR THE SAKE OF YOUR PEOPLE (Especially if you believe the wrong Pre-Tribulation Rapture view).**

We are “now in” the sequence by which God is terminating history. Understanding this sequence shows how the United States is found indirectly in endtimes prophecy. The sequence is developed in my book: *Watchman Warning*. The Rapture comes at Christ’s Second Coming (at the marriage supper of the Lamb) after the Tribulation. We are heading soon into a period of great financial difficulty (inflationary depression), great shortages, and with great chaos and persecution. Our children will be educated by the state and our church doors will be padlocked by the government or used for its purposes. Churches (including ours) appear to be most seriously acting (wrongly) as if the current peaceful conditions will last (continue) “long term” without interruption. **The biblical endtimes will come sometime, and they appear, by the signs and world (and church) conditions, to be coming most soon, sometime in the next few months to a few years.**

We all may want precise information as to the timing and what will happen as the endtimes unfold. But this precise information, apart from the signs and a study of the endtimes sequence, will never come. **(The signs and the sequence are provided in the attached report.) IF YOU WAIT UNTIL YOU GET PRECISE INFORMATION, THAT WILL NEVER COME, BEFORE YOU ACT, OUR CHURCH PEOPLE WILL BE CAUGHT BLIND SIDED AND UNPREPARED. WE, “AS LEADERS,” MUST NOT LET THIS HAPPEN TO OUR PEOPLE. We must act even if one has a different prophecy view in case one is wrong. These actions will help prepare our people for very difficult times, regardless of how they come.**

## A FEW ASPECTS OF THE SPIRITUAL WARFARE

There is a strong spiritual warfare between Christ and Satan. Christ to win the warfare acts to have all the elect believe and accomplish all of God’s work. Satan to win the warfare (and he will not) must prevent at least one of the elect from believing and/or one of God’s works from being accomplished. His strategies include using sodomy and abortion to keep the elect from being born and have sin that gives him more power. He works in various ways to reduce the work of the ministry in our churches. Among these include not adequately maturing one’s people, using the Devil’s rock music, and not adequately doing evangelism, especially that of the children in the community. (85% of those coming to Christ do so in the age range 4-14. Great adult ministries have been done by those, such as Billy Graham, who were saved as children. We must save the children if we want our adult ministries to greatly continue.) **Overall Satan works to transform our churches from orthodoxy to become the immature church with a loss of biblical intellect and with a low plateau of Bible knowledge and doctrines (loud rock-type beat music helps to do this).** A great major problem is what we are now leaving out of our teaching (such as no longer training with a version of God’s Whole counsel - “a complete” curriculum), even though we teach very good things. Have the church train for some spiritual growth, but not for maximum maturity. **Our youth are growing up with hardly any Bible knowledge. As time passes, few will know the Bible in any depth-breadth - Satanic strategy.**

## RECOMMENDATIONS TO BE “MOST URGENTLY” CARRIED OUT

(I am most willing to help in all the training.)

1. **UNDERSTAND OUR SITUATION: Read and study the attached report and understand the current situation immediately facing us (for which we now are apparently ignoring). Understand the criticalness of our times.** When the endtimes come, there never will be a return to our normal and good

times in our country that we have now and have enjoyed for many years. We are now in the sequence (explained in the report) by which God is now terminating history. Come to the realization that our church very likely needs significant changes to have God's best, be an example church, and not be part of the problem that is helping to bring the endtimes. We should appreciate God's infinite Greatness so that we do only what is in the Bible (directly or in application). We should not use training methods or symbols of the world. A friend of the world is not a friend of God.

**Clearly understand that our children (e.g. now 5-10 years old) will not have a normal life span. Their lives, as ours, will be truncated.** Many or most will never go to college or get married. Their lives will be educated by the state for world government and world religion without the parents being able to do anything about it. Not many of us now may live longer than say 10 years more. We must reach the children with the gospel and mature them in Christ while we still can in freedom (that will be taken away). As the endtimes come with calamity and world government, there will be persecution and martyrdom like we have never experienced in America. The coming times will be much-much worse than most of us realize. The government will make war with the church (us).

**2. ALERT AND EDUCATE OUR PEOPLE TO THE CURRENT ENDTIMES SITUATION AND WHAT THEY MUST NOW KNOW AND NOW SHOULD DO:** Train our people with endtimes prophecy, what is causing the endtimes to come, what will happen to us as the endtimes come, and the need to become maximumly mature in Christ-likeness before death, and give them help for what they now must urgently do. **We must train our children and youth "now" to walk by very strong faith. This will help allow them to stand stronger under the coming persecution and false teaching, gaining more maturity needed for eternity.**

**3. TRAIN OUR PEOPLE TO BECOME MAXIMUMLY MATURE IN CHRIST-LIKENESS:** We should give our people an appreciation for God's infinite Greatness. We should search the Bible for all that God wants us to become being maximumly mature in Christ-likeness (Outcome) and for all the principles that God wants us to live out experientially (Procedure) to gain this maturity. We should record our search results in the computer and update them as we learn more. We should then have our church people read them so they will know what God has planned and how He wants them to train. (I have a sample search document on my web site.) We should train with at least the topics listed in the attached report (I have taught many.) The Church's main job is to train her own people to "actually live out" the needed principles (not just know them) to become maximumly mature in Christ-likeness (not just work for Christian growth), that includes by walking by strong faith and love. Training our own people must have priority over evangelism or seeking numbers, though both needs to be done. (We are here to become maximumly mature in Christ-likeness so we can in eternity most greatly maximumly interact and fellowship with our infinite God at His leading. **Apart from this, there is nothing.**)

**4. EVANGELIZE AND MATURE THE CHILDREN IN THE COMMUNITY AT HIGH PRIORITY:** We should "**now go all out,**" working with CEF (and others), to establish tens of additional After-School Bible Clubs and summer 5-Day Clubs. We should work to get many-many new workers. Last year in CEF 5.6 million kids world wide were led to Christ.

**5. PLACE OUR PEOPLE NOW INTO SMALL HOME "UNDERGROUND" CHURCHES COMPOSED OF PEOPLE WHO LIVE NEAR EACH OTHER:** The time will come when our church doors will be closed by the government. We want the worship of God, the ministry, and help to each other to continue. Thus, we should establish home churches "now" before our people are scattered by soon-coming events. **(Our church should now place the names and addresses of our people and missionaries (church directories) in secret places where the government will have difficulty finding them.)**

**6. OUR PASTORS AND OTHER WORKERS (INCLUDING MISSIONARIES) WHO ARE CHURCH SUPPORTED SHOULD GET JOBS AND OTHER-ADDITIONAL MEANS OF SUPPORT:** With the high inflation coming, people will have much less money to give to our church. Our church must now work to reduce expenses.

**7. USE GOD'S CHOICE OF MUSIC:**●<sup>4</sup> We must understand that God's choice of music in the Bible is to sing hymns from our hearts, using melody unto the Lord (not dominate rhythm or loudness). Rhythm brings fun and life to the music, but it must not be dominate. We must maintain the hymns and like music in our church services and Sunday School classes. We must understand (and do needed research) that dominate loud rock type beat music came from Voodooism to call up evil spirits and demons - I have done the research. **Using it (because it is not in the Bible), in my view, is sin, and a sign that one cannot discern the difference between the holy and the profane.** Satan is using the contemporary music, with but elementary teaching, to transform our churches to become immature and have less ministry. So when we use the loud jumpy rock beat music, who are we actually worshiping? **Since this music is not in the Bible, it cannot bring worship to or glorify God! The Bible teaches that God does not receive glory from man as a source. We can only glorify God by obeying what comes from Him as a source (now what is in the Bible).** This is how our Lord lived on earth. Thus, we should work with individuals, explaining the evils and source of the contemporary music service, and attempt to draw them into the hymn services, even one just for them. We must do this to become a mature church and have God's best. But for this to happen, we will need to go to in-depth-breadth expository preaching. If we all appreciate and use God's music choice, we can give Him greater worship and honor.

### **SEVERE PENALTIES FOR NOT CARRYING OUT THE RECOMMENDATIONS**

The penalties (my perception) for not carrying out the recommendations are that: **(1)** many children will not be saved or become maximumly mature in Christ-likeness; **(2)** our church people will not become maximumly mature in Christ-likeness to have a more maximum walk with God in eternity; **(3)** our people will be caught blind sided and without life support when the Calamity comes; **(4)** our people will not know what is happening to them when the Tribulation comes; **(5)** the coming persecution in the Tribulation will cause a major falling away from the faith; **(6)** our church services will eventually not be allowed to continue; **(7)** our pastors and workers will not have life support. Understand clearly, the maturity will have in Christ-likeness at death, we will most likely will have forever. **Not to pursue it "is a most terrible eternal mistake. It can limit our maximum relationship to God in all eternity. We are commanded to pursue it now."**

### **DISCUSSION**

The Bible teaches unambiguously that the Rapture is Post-Tribulational. There definitely is an endtimes Tribulation. Having studied Bible prophecy in depth, I fully realize that Bible interpreters have different prophecy views (over 6). This is largely caused by: **(1)** not including sufficient doctrines, not including those that refute their views; **(2)** not sufficiently appreciating God's infinite Greatness to do things only His way; **(3)** not seeing that Israel as a covenant nation before God is gone now forever (as of the Cross); **(4)** not seeing that the main reason we are here is to gain maximum maturity in Christ - all believers, both Jews and Gentiles, are in Christ, a part of His Church; and **(5)** not seeing that Christ is now married to the Church and thus, cannot have two wives at the same time (the other being Israel). **When one considers sufficient doctrines, the above, and what the Cross accomplished in addition to Justification, one can see that the Pre-Tribulation Rapture View (Dispensationalism) is not taught in the Bible. It has been developed on assertions, not doctrines, and not considering key doctrines that totally refute the view.** (This is discussed in much more detail in the attached report.) It helps to see the sequence that God is using to terminate history. However, this sequence is not well known, being indirectly taught in Scripture. It is discovered by a faith-action search, that most likely will not do. It is a similar sequence that God used with O.T. Israel. It is discussed and presented in the attached report and detailed developed in my book: *Watchman Warning*.

**NOW PLEASE READ AND "STUDY" THE "ENTIRE" ATTACHED REPORT FOR THE SAKE OF OUR CHURCH. PREPARE HER "NOW" FOR THE ENDTIMES AND HAVING GOD'S BEST FOR ETERNITY.**

---

**4. UNITY ON MUSIC:** I realize we have different understandings on whether or not to use loud type rock beat music. But, in the big picture, we must realize that using such music, our churches have been transformed, implementing satanic strategy. To worship and glorify God, we must use the music of the Bible. This is to sing melody of hymns from our hearts to the Lord.
