OVERVIEW UNDERSTANDING: ●³ This document (with its footnotes) presents the “big picture” of many biblical aspects in summary (listing reference documents to be read for Scripture development) that we “all need to know, understand, and urgently act upon.” We must prepare for going through the very soon coming endtimes and be sure we are gaining maximum maturity in Christ-likeness to have a maximum experiential relationship with our most perfect and infinite God. Because signs now loudly signal the endtimes are on our doorstep, this could be a most important document church leaders (all of us) should read “at this time.” The signs alert, signally that many-many of our churches have fallen away from God’s required obedience and excellent living without their realization or desire.

1. THIS IS A SUMMARY DOCUMENT: There are “Many Aspects” to consider in order to (quickly) gain and grasp the needed Big Picture (This takes time and leaders should do it.) This report presents these aspects based on personal studies including by reading tens of books etc by others on prophecy, Christian life principles, spiritual warfare, God’s Plan, and Bible doctrine, and then integrating the teachings into the overall picture, including examining current events. Please read my web site documents (all my web site documents and ppt charts etc. are free and can be downloaded) for Scripture development especially including the following three documents (and the others listed as references): **(1) *The Pattern View of Prophecy: The Many Doctrines of Prophecy Show Clearly the Rapture Will Come Post-tribulational and the 1000 Years During Christ’s Second Coming;*** **(2) *God’s Plan over History for Man to Become Mature in Christ Needed to Eternally Know and Relate to Our Perfect God in His Greatness;*** and **(3) *Keys to Becoming Maximally Mature in Christ-likeness In Godly Relationship Living.*** (The second document presents the spiritual warfare between Christ and Satan with its must-know strategies and methodologies.) Because there are many interrelating aspects to present, there is some repetition.

2. I LOVE THE CHURCH AND WANT TO SERVE HER: From my love of our Church and being obedient to God as one of His Watchmen, we bring warning and incentive to gain God’s best for her benefit. Many churches do not realize their full situation, what they will be experiencing when the endtimes suddenly soon come, the need to gain maximum maturity in Christ-likeness, and the need to urgently work with the children.

3. NEEDED INFORMATION: We certainly do not have all the information, and we may not be correct in everything. But we have discovered the overview of what is happening to bring history’s termination and that churches, without ambiguity, will go through the endtimes Tribulation as Divine discipline for their current falling away. We in our churches must come to attention and work to maximumly obey God as written in His Holy Bible. We should not use information or physical signs from ourselves or the world as sources. Christ is our role model for how we are to live. He only lived by what came from the Father as a source. We are to live now by only what is in the Bible (from the Father as a source). We should use accurate Bibles, no paraphrases.

ENDTIMES WATCHMAN WARNING: KNOW AND ACT ON "THE BIG PICTURE"

A TERSE SUMMARY OF THE BIG PICTURE IS (My understanding as a big picture person and watchman●⁴●⁵): (1) God is using the United States as His endtimes favored nation in a special sequence (like He did with O.T. Israel) to bring the termination of history; (2) Composite signs now signal most loudly that the endtimes Calamity bringing the endtimes Tribulation with an evil world government can come suddenly without warning at any time; (3) The current falling away of our U. S. churches from God's required obedience is the cause of the United States's falling away and the Tribulation soon coming (both being a symptom of the cause); (4) Our churches, even though doing many good things, no longer enduring sound doctrine, are falling away by at least no longer maturing their people, are abandoning the hymns to use the devil's loud rock type structured music, and are doing little to evangelize the children especially and adults out in the community; (5) Our young adults and children now know but little of the Bible so they will most likely fall away under the coming persecution; (6) Because the fixed duration Tribulation is on our doorstep, our young children will not live normal life spans - their lives will be truncated; (7) Our churches are acting most wrongly that the present good times (without the Tribulation) will last indefinitely. Many believe most wrongly they will miss the Tribulation by the Rapture. As a result, they are not preparing for the endtimes resulting in that they will be caught blind sided when the Tribulation comes; (there are many doctrines, presented later, that unambiguously teach the Rapture comes after the Tribulation); and (8) The above has resulted from our churches not sufficiently appreciating God's infinite Greatness such that they do not search the Scriptures for all that God wants us to become, as an outcome, and for all the steps we must live out experientially to get there, as a procedure. The overall situation has resulted in our churches having lost much of their Divine Life and now have mostly activity based on man's choices. In depth-in breadth expository preaching(even though we have good preaching at an

4. AS A WATCHMAN I MUST BRING WARNING: *Ezekiel 33:6 'But if the watchman sees the sword coming and does not blow the trumpet, and the people are not warned, and a sword comes and takes a person from them, he is taken away in his iniquity; but his blood I will require from the watchman's hand.'*

5. ENDTIMES INTERPRETATION: The details of the happenings in the book of Revelation are very complex to assemble and understand. This has led interpreters to have several views for how the endtimes unfold. They have labeled the endtimes, the Tribulation. Our approach, in this document, is to deal with our relationships to Christ and God in an overall picture. We must be prepared in proper relationship to Christ, walking by very strong faith, to handle the most difficult endtimes with great persecution, regardless of how they most terrible come. The endtimes unfold after Christ opens the seven sealed book, breaking the seals one at a time. He received this authority to bring the termination of history based on His Cross and resurrection from the dead after His ascension into heaven. As of the Ascension, Satan and his angels were cast out of heaven. In the endtimes, there will be forms of world government with many world nations, much war, and false religion. There will be great persecution, jailing, and martyrdom of believers. At one time, 1/3 of the nations are destroyed. Toward the end of the Tribulation comes the mark-of-the Beast 3 ½ year period. In this period one has to worship the beast, taking his mark, in order to buy or sell. Those not taking the mark are generally killed. This was Satan's last great attempt to prevent the elect from believing and accomplishing God's work. He wants desperately not to go to the Lake of Fire and to rule people and angels forever. The Rapture occurs at the 7th trumpet at the very end of the Tribulation. Satan is bound and the search goes for any believers left. There are none. Then after the Tribulation and Rapture, during the 1000 years as a day (2 Peter 3:8), Satan is released and the battles of Armageddon come with the result that all unbelievers with Satan and the fallen angels are cast into the Lake of Fire for eternity. All believers now go eternally to a new heavens and a new earth.

elementary level) and excellence before God has left our churches.●⁶ Our churches are not training with a sufficient curriculum. Of course we can have exceptional churches. Many churches do not realize their situation because they are doing good things. But they may be doing only 1 on a scale of 0-10. The problem lies in, what many believe inadequately, what many are not living out and not doing and then with excellence. Expectations for what will happen are presented later.

CHURCHES HAVE BEEN (ARE BEING) TRANSFORMED DOWNWARD): We, in all biblical history, are here to become a Christian (believer in O.T.) and then, most importantly, to gain an experiential maximum maturity in Christ-likeness (not just know Bible content). This is so we can relate to our most infinite and perfect God toward the maximum in all eternity, as He guides and directs our lives, according to His infinite Greatness. Apart from this, there is nothing in the eternal view as an outcome. However, now our American churches are falling away from God's obedience requirements, being transformed to degrees of lukewarmness. Their goal is to reach numbers and provide for some spiritual growth, but not to work for maximum maturity. Our young parents and our children now know but little of God's Word, and Churches are doing but little evangelism out in our communities. Do they see the need or know God's commandment to do so? We are no longer excited about working together as a team to gain maximum maturity and to evangelize out in the community. Many young people, as they begin college, after examining the churches now not going anywhere in greatness, no longer go to Church (see the book: *Already Gone* (we have our own report on this subject you can request)).●⁷ Our now being in the endtimes sequence, is leading to the termination of history, bringing the Tribulation, followed by the Second Coming of Christ with the Rapture, and all going to eternal states.●⁸

WARNING ALERT: Signs (presented later) now signal most loudly that Revelation's endtimes (consisting of a Calamity bringing a many year Tribulation) used to terminate history can come suddenly like a sudden earthquake anytime in the next few years (even months).●⁹ The events

6. EXPOSITORY PREACHING: In my experience and view, expository preaching, going verse by verse, with great application and living-life examples (testimonies) and emphasizing doing evangelization resulting in new converts, draws people into the churches. They come because they see Divine life, not just good activity. But now many churches, not having this environment, are losing attendance.

7. GREEK COURSE: I once took a Greek course where the professor worked at the lowest common denominator of the class. As a result, half way through the class schedule, half of the class (the brighter students) left. There was little point in staying. This can be a major situation in our churches today if they greatly lower the training to gain new people.

8. MAJOR CHURCH SITUATION: Many believe falsely they will be raptured before the Tribulation. This false belief is based on ascertains, not doctrines. Believing this false doctrine is a huge mistake for the sake of our Church and family people. Churches, believing this, will not prepare for going into the Tribulation and will be caught blind-sided when it suddenly comes. A Pre-Trib Rapture will not happen. As will be presented, there are over 20 doctrines that teach unambiguously the Rapture comes after the endtimes Tribulation.

9. ENDTIMES TRIBULATION TIMING (Guesstimation): Christ will come (return) at the Feast of Trumpets
(continued...)

ENDTIMES WATCHMAN WARNING: KNOW AND ACT ON "THE BIG PICTURE"

of the Tribulation are coming to bring divine discipline on the Church for her now falling away from God's required obedience. Satan is using the Tribulation to rule with world government. Throughout history and in these endtimes, there has been spiritual warfare (discussed later) between Christ and Satan to bring the developing and testing environment used to bring a responding Church to high maturity in Christ-likeness for maximum relationship with God in eternity. Thus, the Church must learn and live out the requirements with excellence.●¹⁰

OBSERVATION: From about 1800 AD, the population has been expanding exponentially. During this period, radio, electricity, and oil were discovered. This has led to having automobiles and airplanes along with radios, TV, telephones including cell, computers, satellites, etc. so the Gospel could go to this increasing population. Satan also has started many false religions (that look right) with false doctrines, so many will join them and not be saved (the elect will not believe).

NEEDED BACKGROUND FOR UNDERSTANDING (What We Will Experience as the Endtimes Very Soon Unfold and God's Objective That We Now Gain Experientially on Earth Before Death): Using the environment of spiritual warfare over Biblical history between our Lord and Satan, God planned that we (all people, both responding Jews and Gentiles●¹¹) first become

9(...continued)

in some fall. If the endtimes Tribulation is a non fractional number of years except for the 6 months in the Mark-of-the-Beast Period, the Tribulation will begin 6 months away from Christ's Coming, to begin in some spring. The number of man is 6 and multiples thereof. There were 4000 years from Adam to Christ's Crucifixion in AD 30 or 33. This leaves 2000 years to Christ's Second Coming to bring the Rapture and final judgements terminating history in about 2030 to 2033 AD. The Tribulation lasting 10-20 years will cause the Tribulation to begin in the range of 2010 (2013) to 2020 (2023). **However, these are guesstimations. "Only God" knows the exact timing. But the message is that we should be ready and prepared, as of now, for the Tribulation to come in 2013-2020 onward. And the signs, that will be presented, now signal most loudly that the Tribulation can come any time.** (The endtimes Tribulation duration is not 7 years as many assert is defined by Daniel's 70th week. For it was history at the time of our Lord's Crucifixion. See our web site document for detailed development: *The Seventy Weeks of Daniel Chapter Nine.*)

10. **NOTE:** The Church are the people who have believed Christ's Gospel and are in a true experiential living relationship with God and Christ. It is not an organization or a religion. As such, the Church gathers for worship, not go to church, as it gathers in buildings. Among those who gather are the elders, pastors, and deacons who guide, rule, and train. One can go to church (buildings) for worship, or belong to some religion or church organization, and not be the true Church (and thus, will not go to heaven).

11. **BOTH JEWS AND GENTILES, AS BELIEVERS, COMPRISE THE CHURCH AND BODY OF CHRIST (this must be understood by Church and family leaders in order to know endtimes prophecy):** *Ephesians 2:13-16 But now in Christ Jesus you who formerly were far off have been brought near by the blood of Christ. For He Himself is our peace, who made both groups (Jews and Gentiles) into one, and broke down the barrier of the dividing wall, by abolishing in His flesh the enmity, which is the Law of commandments contained in ordinances, that in Himself He might make the two (Jew and Gentile) into one new man, thus establishing peace, and might reconcile them both in one body (not two different ones) to God through the cross, by it having put to death the enmity.* (Additions mine.)(See also Colossians 6:11.) **(There are no future exclusive Jewish periods coming after the Cross such as in the endtimes Tribulation**

Christians to become the Church (and spiritual body of Christ), so we can go to heaven after death, by believing and receiving Christ's Gospel. And then afterwards, very importantly, work in responsive faith obedience toward gaining a "living-life" experiential maximum relationship maturity in Christ-likeness in the testing and developing environment. (We must live by faith to keep from sin.) This is so we can now gain maximum maturity in Christ-likeness for a maximum relationship with God and Christ now and especially in all eternity. ●¹² (God did not create us with maximum maturity such as we would respond as robots without a developed relationship.) Because God alone has all the perfect attributes and Greatness that exists, and He created us for this purpose, apart from this relationship with God and Christ, there is nothing else in the eternal perspective. Thus, in response to God's leading, we should pursue gaining this needed maturity at the highest priority in our families and churches. Then we can have the best life now and eternal future life that exists and is possible and what God has planned. The most wonderful glory to be revealed in heaven, we cannot know now. ●¹³

SPIRITUAL WARFARE AND ITS GOALS OVER HISTORY: We, as introduced, need to be greatly aware that we are in great spiritual warfare between Christ and Satan that God is using as an environment to bring us to maturity in Christ-likeness. Christ works to have the elect believe the Gospel and accomplish God's work (He works also for the churches to become maximum mature in Him). Satan works to prevent at least one in each category. We must be sure we have maximum obedience to God and Christ and are not implementing Satan's strategies unknowingly. Christ must win to have the authority to bring the Rapture and final judgements after the endtimes Tribulation, according to the rules of the warfare. Satan must win to avoid

and 1000 years.) See our web site prophecy report: *Understanding the Endtimes Biblical Jewish Situation and What We Must Now Do as the Endtimes Unfold.* (God and Christ are no longer married to national Israel as of the Cross.)

12. SCRIPTURES THAT TEACH WE ARE TO GAIN MAXIMUM MATURITY IN CHRIST: (1) Ephesians 4:12-13: for the equipping of the saints for the work of service, to the building up of the body of Christ; until we all attain to the unity of the faith, and of the knowledge of the Son of God, to a mature man, to the measure of the stature which belongs to the fulness of Christ. (2) Colossians 1:28: And we proclaim Him, admonishing every man and teaching every man with all wisdom, that we may present every man complete in Christ. (3) Hebrews 6:1 Therefore leaving the elementary teaching about the Christ, let us press on to maturity, not laying again a foundation of repentance from dead works and of faith toward God,

13. GAINING MATURITY: None of us no doubt have reached this maximum maturity. I and many others are working in that direction, and we take much input from others (such as in books etc.) and each other. We need to help each other here. No doubt we will enter heaven having different skill levels of maturity. But apart from walking in maximum experiential relationship with God and Christ, and with His leading, with each other, there is nothing. We will all have a perfect life at some level. Having more maturity in Christian living will allow us to have a great relationship with God. Of course it will be great just being there. But since God has the only true value and perfection that exists in an infinite way, we should desire to know and relate to Him in His greater depth. So we all need to pursue this direction, helping each other. This document is meant to bring much help and incentive. The problem we have is that many or most churches (and thus, their people) are not pursuing this direction, and particularly with excellence before God.

going to the Lake of Fire and to have the authority to eternally rule over all people and all angels forever. Christ will win the warfare, but Satan works with great strategies in his attempt to win.●¹⁴ In doing so, he works so people will not become the elect and will not accomplish God's work. Christ works to make them happen. Thus, Satan works to: **(1)** encourage same sex marriages and abortion; **(2)** keep Christians out of ministry; **(3)** prevent the maturing of the church people; **(4)** have the churches use loud beat structured music that honors him and brings people lowered sensitivity to the leading of the Holy Spirit; and **(5)** have the churches do but little evangelism out in the community. He causes inflation so people will have trouble funding Christian ministries, and works to bring world government control over which he and his people will rule.

THE ENDTIMES UNFOLD WITH THE CHURCH GOING THROUGH THE TRIBULATION TO BE RAPTURED AT ITS END: **(1)** Over 20 Biblical doctrines teach (see next section) "unambiguously" the Church, being the cause of its coming, will go through the endtimes Tribulation. (See our website document: *Twenty Bible Doctrines Teach Unambiguously A Post Tribulation Rapture*);●¹⁵ and **(2)** God is using the United States as His endtimes favored nation in a special pattern sequence to terminate history similar to the sequence He used with Old Testament Israel as His then favored nation.●¹⁶ (See our web site document: *Summary Presentation: How Revelation's Events Unfold and How the United States Is Found in Bible Prophecy*. This endtimes pattern sequence using the United States is developed in Chapters 5-7 of my book: *Watchman Warning* and is largely founded on the sequences found in Leviticus 26 and Deuteronomy 28. In this sequence, the Church (wheat) goes through the endtimes Tribulation for divine discipline for her falling away and to be raptured and delivered at its end, after the tares (unbelievers) are (then) bundled for the (lake of) fire (Matthew 13:30). Unbelievers are eternally judged afterward. The Church's falling away, as introduced, is "the cause" of both "the symptoms" of the country falling away and the Church and country going through the endtimes Tribulation. (Thus, to change the situation, the churches must have massive revival. This will not happen.)

14. SPIRITUAL WARFARE: God is allowing Satan to attempt to show God that he like God in Christ can also work all things together for good. If he can achieve his goal (he will not be able to), he can avoid going to the Lake of Fire. In order to accomplish his desired result, he must prevent one of the elect from believing and/or one of God's chosen works from being accomplished. Christ works to have all the elect believe and to accomplish all of God's work. He will succeed. See our document for details: *God's Plan over History for Man to Become Mature in Christ Needed to Eternally Know and Relate to Our Perfect God in His Greatness*.

15. THE WRATH OF GOD: The wrath of God the Church is to miss comes in the 1000 years in the bowl period on the earth after the Tribulation and after the Rapture. It is the final days when only unbelievers are left on the earth. It is the time when God places unbelievers and fallen angels into the Lake of Fire. (If one believes that the bowls are part of the Tribulation, this results in a mid-Tribulation Rapture view.) The Post-Tribulation Rapture view is also to some called the Pre-Wrath Rapture view. (However, some believe wrongly that the wrath of God is throughout the Tribulation. But this cannot be, for there are many believers in the Tribulation.)

16. THE ENDTIMES SEQUENCE: The Bible teaches that to terminate history, God is using the United States as an endtimes favored nation to bring the endtimes in a special sequence. In this sequence, because of her falling away, the Church will go through the latter part of this sequence for discipline implemented by the Tribulation to be raptured afterwards. The Pre-Trib Rapture view, based on ascertains, not doctrines, is not taught in the Bible.

MANY OF THESE 20 DOCTRINES THAT TEACH UNAMBIGUOUSLY THE RAPTURE COMES AFTER THE TRIBULATION ARE (found in my web site document listed above): (1) all believers, both Jews and Gentiles are one in Christ and part of the Church without ethnic division - the barrier has been broken down; **There are no exclusive Jewish periods coming including the Tribulation and the 1000 years;** **(2)** the wheat (the church) cannot be separated from the tares (unbelievers) until "after" all the tares are bundled for the fire in the Mark-of-the-Beast Period; **(3)** Christ can only have one wife at a time. Now married to the Church, composed of both Jewish and Gentile believers, He can no longer be married to national Israel as of the Cross (that would be required to have a Pre-trib Rapture);^{●17} **(4)** Revelation teaches there are a large number of believers "from all nations" (not just from Israel) in the Great Tribulation; **(5)** Christ gains the authority to rapture the Church only after the heavenly court after the Tribulation determines that He has won the spiritual warfare over Satan; **(6)** Christ sits in heaven at the right hand of God the Father, not bringing the Rapture, until all His enemies become His footstool which occurs in the Mark-of-the-Beast period; **(7)** the terms for the Coming, the Revelation, and the Appearance of Christ, when referring to the endtimes, are always used in the singular. Thus, they can only happen after the Tribulation (there cannot also be one before the Tribulation); When Christ comes, He first raptures the church and then, afterward, brings the final judgement on unbelievers; **(8)** The current church, in her falling away, must go under divine discipline in the Tribulation because her falling away is the cause of its coming (symptom); **(9)** the Rapture occurs at the last trumpet which is the 7th trumpet occurring at the end of the Tribulation; and **(10)** The word: "saints" in the plural is used for the Church throughout the epistles and also in the Mark-of-the-Beast Period. (The return of Christ is said to be imminent in the Gospels. But since it has not occurred for 2000 years, it can be imminent just after the Tribulation.)

THE ENDTIMES SEQUENCE:^{●18} The endtimes, as presented, come in a sequence similar to the sequences God used with Israel. This is taught "indirectly" in the Bible found by comparing Revelation's endtimes nomenclature with happenings in O.T. Israel. There is a match (wow!). The overview sequence of happenings are similar, but the details are much different. There is a most favored nation, now the United States. God has blessed her more than any nation in all of history, including more than O.T. Israel, in her general obedience. Now her churches are becoming disobedient in a falling away (cause) that has allowed the whole country to fall away (symptom). When this falling away crosses God's threshold, God, using Satan, brings a world government against her (Calamity) and places her under the rule of world government (the endtimes

17. CHRIST IS NO LONGER MARRIED TO NATIONAL ISRAEL: God gave a writ of divorce to the Northern Kingdom of Israel because she would not return to the relationship from her apostasy (Jeremiah 3:8). When the Southern Kingdom of Judah had the Romans crucify Christ, when He died on the Cross, this terminated the marriage to the southern kingdom. Israel as a covenant or special nation before God is gone forever as of the Cross. Satan brought the current Israel into the land in 1948 to have Bible interpreters believe a wrong Pre-Trib Rapture, so they will not prepare for the Tribulation or maturity. Most Israelites now in the land are in apostasy with no interest in Christ, God, or the Bible. God only returns Israel to her land in repentance.

Tribulation). When the Tribulation is over (occurring (only) after all people who are to live, have lived and have made formal and binding decisions to accept or deny the Gospel in life or by death), the angelic court in heaven opens the books (including the books of works and life) and determines that Christ has won the spiritual warfare over Satan. As a result, because all the elect did believe and did accomplish all of God’s works, the court gives (awards) Christ the legal authority to rapture the church (at His Second Coming) and bring the final judgement on unbelievers and on Satan with the fallen angels, sending them to the Lake of Fire. This is the other or alternative way (other than the Cross for believers) for God to satisfy His justice of people for their sin (transgressing God’s laws). Now eternity begins.

ENDTIMES WATCHMAN WARNING: Many endtime signs, as introduced, are now “occurring simultaneously” with great intensity, especially in the United States. They most loudly signal and warn that the Calamity which brings the endtimes Tribulation (used to terminate history) can come any time, suddenly, like a sudden earthquake, in the next few months to a few years (with “only” God knowing the precise timing). (Many are similar signs that were in O.T. Israel just before a world empire invaded and put Israel under its rule.)●¹⁹

Thus, if not already accomplished, “immediately” warn, train, and prepare your people for going through the endtimes and for this eternal experiential relationship walk with God (even if you believe differently). Otherwise, when the Calamity and Tribulation come, they will most likely: (1) be caught blind sided without life’s needs and with loss of income; (2) have a great falling away from obedient faith, occurring under the coming persecution, because our churches are vastly immature, walking by insufficient faith and limited Bible knowledge; and (3) very likely, have much less than the God planned maximum experiential maturity in Christ-likeness needed for a more maximum mature walk with God in eternity.●²⁰●²¹

CHURCHES ACTIONS NOW: Generally churches are acting now “most wrongly” as if the present good times in freedom will last (continue)indefinitely. They will not.

19. **THE SITUATION SIGNALS:** The situation shows our churches have been (and are being) transformed in a falling away from needed obedience to God. This is happening largely now because our church leaders no longer endure (know) sound doctrine (2 Timothy 4:3). **Thus, our churches most probably do not know and/or realize their situation. They generally want to do right.**

20. **EXPLANATION:** Saying things in a different way to help gain understanding: I have little interest in just or mainly teaching the Bible for content and doctrine. My desire and goal is to train people to gain a maximum maturity with a maximum experiential relationship walk with God (and with Christ) and bringing in the greatly needed Bible content and doctrine to help establish this maturity. So the approach is different.

21. **WORK FOR REVIVAL IN OUR CHURCHES:** As introduced, the “only thing” that can stop or delay the Tribulation coming (and turn around the falling away of America) is that we, dealing with the cause, have great massive revival in our churches across America. Without revival, **America will not (can not) be restored.** But because the endtimes coming is prophesied, this will not happen (sufficiently) apart from pockets. But we must work to have revival in our own church and personal lives. Perhaps then, the endtimes coming might be delayed.

They are not looking ahead with critical analysis: (1) to see what is coming and why it is coming; (2) to what degree they actually can be greatly a main part of the cause; and (3) to determine to the degree we are sufficiently obedient to God's requirements for maturity, choice of music, accomplishing evangelism, and maturing of adults and children. So they generally take but few steps to warn, train, and maximumly mature their people in Christ-likeness. They appear to be falling most short in doing sufficient evangelism (signaled by having few water baptisms of new converts each year). As a result, their people will be caught blind sided and unaware when the Calamity comes suddenly unannounced like a sudden earthquake upon them without being prepared for the endtimes Tribulation and without having a maximum relationship with God, desired for eternity. **Churches are certainly teaching and doing many good things. But the problem lies greatly in what they are not teaching and doing. They train with but little of God's Whole Counsel, greatly insufficient to mature their people in Christ-likeness.**

THESE WARNING SIGNS INCLUDE (Some of these signs have been with us for some time, but not at the large collective magnitude (happening at the same time) as they are now): (1) "severe extreme" American debt with resulting inflationary economic problems; (2) "most severe weather" with fire storms, heavy snow and rain storms causing massive flooding, even much drought, "great tornadoes (such as the "severe" recent one in Oklahoma)," and earthquakes; (3) promoting and legalizing same sex marriages and abortions - satanic strategy so the elect will not be born and will not accomplish God's work (many youth having sinful premarital sex); (4) churches have fallen (are falling) away from needed obedient faith by: (a) no longer enduring sound doctrine resulting now in using good but low level teaching (mostly the a,b,c's) but vastly insufficient with needed applications to bring needed maturity in Christ-likeness for eternity; (b) using the devil's loud rock type music and to a lessor extent, even jumpy type Praise Music (my understanding); and (c) doing little evangelizing in the community, especially of the children, demonstrated by having but "very few" regular water baptisms of new converts.

As satanic strategy, the results over time, using mainly low level elementary teaching and loud structured rock type music, that now very few, especially the younger parents and their youth (as introduced), know God's Word in any depth-breadth needed for maximum obedience to God. This is also true for churches that use the hymns, but use mainly low level fundamental training and do little evangelism. This helps the churches fall away from sufficient obedience to God allowing Satan to bring the endtimes and have more governing power in the endtimes.●²² People will not gain the needed maximum maturity in Christ-likeness for God's

22. **USING ROCK MUSIC AND LOW LEVEL TRAINING IS SATANIC STRATEGY:** We must understand that Satan wants the churches to use loud rock beat music and fundamental only training to: (1) keep the church people from maturing so they will not know what is happening when the endtimes come and they will fall away from the faith under the coming great persecution in the Tribulation; (2) keep the church immature and out of major ministry; (3) bring him great worship; and (4) be great sin that helps to allow him to bring the endtimes Tribulation over which he and his man will rule. The use of rock type music with low-level teaching is going to

ENDTIMES WATCHMAN WARNING: KNOW AND ACT ON "THE BIG PICTURE"

desired great relationship with Him and the ministry will decrease. (Children and youth are now growing up with: **(1)** the loud Devil's rock beat structured music and many do want to come to Church unless churches use it; and **(2)** with but little knowledge of the Bible).●²³ (Note: we can only glorify and worship God by obeying what comes from Him as a source now found only in the Bible (what is His perspective, not ours) - nothing from us or the world as a source.) Churches should not use this music because this type structured music is not in the Bible (thus, not from God, even though some of the musical instruments are) and it is satanic strategy to use it. Churches using it, demonstrate they cannot tell the difference between the holy●²⁴ and the

churches nation wide. Many churches teach legalism without much of the Christian life. These should tell us something. *(It is doubtful that those who favor loud rock music in our churches, can be maximumly mature.)*.

WHAT OTHERS SAY: Above everything else, rock music was meant to be loud, repetitious, carnal, and extremely suggestive sexually. It is a most dangerous mistake to think you can take the rock format, add Christian lyrics, and everything will be okay. The body will be getting the sensuous message of the music, the mind will trigger the fight-or-flight syndrome stimulating aggressiveness and increased energy, but the spirit will be receiving a watered-down, simplistic "spiritual" message. Quote taken from page 64 *Crisis in Christian Music* by Dr. Jack Wheaton.

Garlock and Woetzel (Drs'): *Music in the Balance* (their book), state one should never use contemporary loud repetitive syncopated rock beat music in the church. Churches should go to the good hymns. *They* (Garlock and Woetzel) *teach that good music has the melody dominate, the harmony next, and the rhythm under control. The melody reaches the spirit, the harmony reaches the soul, and the rhythm reaches the body. We need some rhythm because it brings life and fun to the music - but never the dominate loud drum beat rock - what Satan wants. Would not God choose the best music structure? This is what I think.*

There is music which encourages demonic activity, and there is music, which encourages Holy Spirit activity. There is music which ministers to the carnal side of man, and there is music which ministers to the spiritual side of man. Rock music has always been associated with the carnal and demonic. It has no legitimate place in Christian life and ministry. (Quote from the report: *Is There a Connection Between Rock Music and Voodoo or African Paganism.*)

HOW DO WE RECOGNIZE DANGEROUS MUSIC RHYTHMS: A simple test will help us recognize these dangerous rhythms. If it is: (1) too loud, (2) too repetitive, and (3) highly syncopated, it is potentially dangerous. If you feel more like "moving, saying, clapping" than listening to the lyrics, it is dangerous. If you find the music "turns you on," "hypes you up," makes you more emotional (not spiritual), it is dangerous. If you feel more like dancing than singing, you may be in trouble. Quote taken from page 66 *The Crisis in Christian Music* by Dr. Jack Wheaton. (Of course, under the right music (not rock), one can dance in a proper way. David danced before the Lord at one time, but not to rock music.) (I prefer to bow before the Lord.)

23. ROCK MUSIC: Youth who are now parents who have grown up on rock music in the church will allow their children to do so and even attend Sunday School where such music is used. Thus, as time goes by, our churches will have been transformed away from God.

24. HOLY BIBLICAL MUSIC: *Colossians 3:16 - Let the word of Christ richly dwell within you, with all wisdom teaching and admonishing one another with psalms and hymns and spiritual songs, singing with thankfulness in your hearts to God. Ephesians 5:18-19 - but be filled with the Spirit, speaking to one another in psalms and hymns and spiritual songs, singing and making melody with your heart to the Lord; Mark 14:26 And after singing a hymn (at the last supper), they went out to the Mount of Olives. (Key: The music structure to*

profane (Leviticus 10:10; Ezekiel 44:23). **God only accepts worship (and glory) from us of things that come from Him as a source (the holy) - nothing from the world or humans (the profane) (John 5:41; 17:4).** Profanity is using such loud and rock beat structured music from the world such as used in Voodooism and the cults to call up demons and evil spirits;(5) increasing actions (even establishing special executive orders) to eventually bring world government with things under government control with the president or some other to rule as a dictator controlling everything;(6) bad spiritual teachings in our schools; (7) aliens owning some (much) American property (such as China) founded on loans; (8) increase in serious disease; and (9) great increase in false religions in America today. (See pages 31-34 of Chapter One of my book: *Watchman Warning* for many signs.) Rock music calls up demons.●²⁵●²⁶●²⁷

be Biblical must have the melody dominate, found in the Bible, and not be continuously loud. It can have "occasional" trumpet toots and drum beats to bring fun an life to the music, but it should not be continuously loud. It should not cause us to be jumpy. Though people use the jumpy music for fun and enjoyment. We should want to bow instead as will happen in heaven, appreciating God's infinite Greatness.)

The result of being filled with the Holy Spirit is to sing, making melody from your heart unto the Lord, not with your body. Making melody in your heart cannot be done with loud drum beat rock music that has the rhythm dominate. It can be done with the hymns that have a dominate melody when one can sing from their hearts, spirits, and souls unto the Lord and His Greatness. (There is no Scripture - there cannot be one - that states one will worship the Lord with his body under rock type music when filled with the Holy Spirit. It is true David danced before the Lord, but this was not to rock type music.) The true heart is one that bows before the Lord, submits to His Word, and falls on its face before the Lord, giving Him reverence. It is not one who uses rock music just because it draws the youth and they like it.

AWESOME SINGING: I attended an international Child Evangelism Fellowship (CEF) conference where there were 1100 people from 87 different nations attending. ALL the people were in the ministry, ALL the people were Christians and "highly committed" to Christ, and ALL the people had led tens of kids to Christ. When they sang: *To God be the Glory*, it was absolutely awesome. They were singing from their hearts, souls, and spirits unto the God they love and serve. The tears ran down my face. Such great worship is not possible under rock music. They had this great and wonderful worship because God had used them greatly in the ministry. They saw His greatness at work when He brought salvation to people, especially the children. They appreciated God's Greatness.

25.. ROCK MUSIC CALLS UP DEMONS: From Rock and Roll report by Bill Fortenberry: Robert Palmer, contributing editor of *Rolling Stone Magazine* and chief advisor or the "History of Rock 'n' Role" broadcast, openly admits that the rhythm patterns of rock and role are derived from the rhythmic patterns of the voodoo religion. He stated that *'the idea that certain rhythmic patterns or sequences serve as conduits for spiritual energies, linking individual human consciousness with the gods, is basic to traditional African religions the fundamental riffs, licks, bass figures, and drum rhythms that make rock and role can ultimately be traced back to African music of a primarily spiritual or ritual nature in a sense, rock and role is a kind of voodoo.'* The second evidence that the choice of rock music has been the music choice of many satanic cults. Little Richard: *"My belief about rock and roll is this, I believe this kind of music is demonic A lot of beats in music today are taken from voodoo. He was directed by another power, the power of darkness, the power of the Devil, Satan.* He states, *"you cannot drink out of the Lord's cup and the devil's cup at the same time."* The report states that this type of music has many deleterious effects on humans such as brain damage, memory, and attention

MAJOR ASPECTS WE WILL MOST LIKELY EXPERIENCE IN THE CALAMITY AND THE TRIBULATION:●²⁸

When the Calamity and Tribulation come bringing great financial chaos, criminal actions, and most difficult times, the following can and most likely will happen (we cannot be sure):●²⁹ (1) Several American cities will be blown up with nuclear weapons (the internet names 6 cities); (2) Several viruses will come with killer disease; (3) the stock market will crash; (4) the infrastructure will break down and goods will not get to the market place; (5) banks will close; (6) People will be going door to door looking for food and needs of life (with guns?); (7) Our church funded pastors and missionaries (and our families) can be without adequate finances, normally provided as gifting to the church; (8) Our families will be without sufficient food, water, "communications including the internet and telephones," gasoline, and electricity (and lighting) because the infrastructure will break down, EM Bombs may be used; (9) We will go under world government control where we will lose our freedoms and the government will make war (using persecution, imprisonment, and martyrdom) against the Church and Christians. **The government will educate the children for world government without**

25(...continued)

problems. Data shows that those who sit under rock music have shorter life spans than do others who do not.

26. **AN IDIOM:** Do not believe that using loud rock type structured music is of God until you know from research that its source was Satan to be used in and came from Voodooism and the cults to call up evil spirits and demons. **So do the needed research of its evils, and then you will not want to use it. Its use is great disrespect for God for it does not give Him glory and/or worship.**

However, we are in a catch 22. The rock music is not of God, but unless we use it, as presented, the youth may not come to church. So using it, we can work with individuals who attend church in the rock music service privately to share the evils of the music and draw them into the hymn service for biblical worship of God.

27. **OUR CHURCHES HAVE BEEN TRANSFORMED;** As previously introduced, our churches are now being (have been) transformed away from God's requirements that allows the implementation of Satan's for the endtimes. This transformation includes: (1) no longer maturing their people toward the maximum (sin of omission); (2) using the devil's type loud structured music (sin of commission); and (3) doing grossly insufficient evangelism of the adults and especially of the children out in the communities (sin of omission). As a result our churches are becoming (have become) degrees of lukewarm, even though they are doing some very good things. **They have much activity, but little Divine life.** Thus, Revelation's times are here. (Using such rock music has brought disunity in the Church when the Church also has a (Biblical) hymn service in which others attend, rejecting the (Satanic) rock music service.

28. **REFERENCE:** Read our web site documents listed in footnote one for many more details for what will happen and the most terrible times we probably will experience when the endtimes come. They will be most terrible much more greatly terrible than we can realize now. (We have an appreciation for the big picture. but most certainly, we do not have all the details.)

29. **DIFFICULT TIMES:** When the Calamity comes, drone aircraft may activate Electrical Magnetic Bombs that showers the earth in the local area with sudden great energy that destroys (kills) all transistors and thus all our electronic transistor related equipment (e.g. thus electrical equipment and ignition in our cars, TV, telephones, cell phones, radios, computers, etc.) will no longer work. Sun spot radiation can result in same destruction. Without methods of communications, people will not know what is happening. Cities will be blown up with nuclear bombs. Chemical weapons with viruses may be used which cause severe sickness and death.

the Bible and salvation, and without parents being able to do anything about it; (10) Our young children will no longer live normal life spans. Their and our adult lives will be truncated in the Tribulation because most will die in the Tribulation with the Tribulation lasting only about 10-20 years. Few Christians will be remaining alive when, after the Tribulation, Christ comes to rapture the Church (There will be little faith on the earth when Christ comes, Luke 18:8); **(11) It does not matter so much when we die. What matters is that we are Christians and we have reached a maximum maturity in Christ-likeness before we die so we can have a maximum relationship with God in all eternity. All of history is for this purpose to gain this maturity.**●³⁰ The Bible teaches indirectly our maturity will most likely not increase in heaven. (Our sin natures, and the current environment of the world, the flesh, and the devil will not be in heaven. God will (most likely) lead us using our divine natures to the degree of their maturity developed now in our life time. We received these divine natures when we became Christians. They cannot sin and can take direction only from God. (Because they cannot sin, this gives us eternal security in Christ - we cannot lose our eternal life salvation. Thus, we are ensured we will go to heaven.) However, the way we now gain this maturity on earth will not be in heaven.) **We are here "now" and "commanded" to gain this maturity.** We should want maximum maturity so we can have a maximum walk with God in eternity. We can gain more in the Tribulation if we stand strong by faith without falling away. **Apart from relating maximumly to Him as He directs our lives now and in eternity for perfect living, there is nothing. He inherently is and has all and the only perfection that exists.**

PREPARING OUR CHURCHES (AND FAMILIES) AND WHAT WE SHOULD "URGENTLY DO NOW" (We should do the following now even if the endtimes do

30. NEEDED FOR MATURITY: We need to live by great sacrificial love for God obeying His ways under His direction to become mature. Christ's Cross demonstrated the magnitude of this needed love. When we live by love, activated by keeping God's commandments, we live holy and righteously and get to know God. We need to live by faith, trusting God to fulfill His promises. We activate our faith by obeying the instructions with the promise. When we do, we live without sin because all is coming from God, and we gain revelation of the Scriptures. **In order to gain great maturity, we need to have an appreciation for God's Infinite Greatness (His attributes), know many commandments, and have memorized many promises.** We need to "live these out" in the trials and testings in this lifetime. We need to help each other.

God the Father exists everywhere that exists simultaneously. He is omnipresent. Thus, no person or angel has or will ever see Him physically with eyes (John 1:18). Thus, we know of Him by a faith walk. **This is why it is essential that we learn to walk by very strong faith. Living by faith in God to guide and direct everything is the only way we can live without sin and have a most perfect life, living by perfect truth.** This is of course necessary for us to live without sin. However we will see the Father in Christ as He lives out what comes from the Father. His life demonstrates that the Father exists. Our lives should do the same. Christ is our example for living under the Father and that the Father exists (John 14:9).

God works with billions of people and angels all at the same time. He never had a beginning. He has always existed (pre-existed). This makes Him God. He has infinite power. He has love, all truth, justice, long suffering, grace, etc. See our web site document: *The Attributes of God*. He is the only one qualified and able to work all things together for good and to direct our lives in thought and action in realtime, in perfection and without sin. Thus, we should want to gain maximum maturity in Christ-likeness living out only that which comes from Him as a source so we can have a maximum mature life with Him in eternity. Apart from this, there is nothing.

not come for a few years. We do not want to be one second late. But the signs signal the endtimes can come very soon (and most suddenly) "without us ever knowing" the precise date, including especially with a financial crash.): (1) We should teach endtimes prophecy (post trib view) and what will happen to us (what we will experience, including in the Tribulation) when the endtimes come. (2) We should work with a detailed established curriculum to maximumly mature our people in Christ-likeness, especially to train to live by very strong faith and love.●³¹ (The training can be accomplished in a combination of the pulpit, seminars, and special classes.) Then we can gain more maturity in the most difficult endtimes and keep from falling away. (See our web site ppt charts: *How To Live by Faith* and *Christian-Life Relationship Principles*. (3) We should work now to place our church people into underground home churches for mutual support and continued worship, fellowship, and ministry for both now and for when our churches are closed and when the persecution comes. (4) We should now go "all out" to evangelize and disciple the children (and adults and families) out in the community (we can work with Child Evangelism Fellowship who can help in the training and establish the children's groups). 85% of those coming to Christ do so in the age range of 4-14 and adults do as they learned as children. (Evangelism will not be allowed by the government in the Tribulation.) (5) We should have our families put in living-life supplies (including gasoline and independent lighting, and even a hand cranked radio) now in advance for at least 3 - 6 months or even longer and some colloidal silver that helps to cure and prevent disease. (6) Those who are church supported, such as pastors, should have the church put away sufficient funds now in advance for 2-4 years for use when the endtimes come. However, whether or not there is an exchange rate, new currency will most likely come that may require everyone to work. **The government will make war against those who do not work - those who live independent lives, apart from government control and required government worship system. Thus, those without jobs and the retired will have major problems, especially in the coming Mark-of-the-Beast Period.●³² The government at Satan's direction will want to reduce the population (especially true Church people -**

31. **CURRICULUM ESTABLISHMENT:** Appreciating God's infinite Greatness, we will search the entire Scriptures (Bible) for everything we are to become and for all the steps we must live out experientially to get there and then record them in our computer. We should update our findings when we learn more. Then we should do nothing else. We should let our church people read our findings so they can know the direction they must take. I have a first cut web site document: ***Keys to Becoming Mature in Christ-likeness In Godly Relationship Living*** (Needed for Now and in Eternity to Know and to Relate to Our Perfect God Toward His Fullness in Depth-Breadth). (Please send me inputs I can add.) Use our ppt charts on Christian-life Relationship Living. **Note:** Acts 20:26-28 "Therefore I testify to you this day, that I am innocent of the blood of all men. "For I did not shrink from declaring to you the whole purpose of God."Be on guard for yourselves and for all the flock, among which the Holy Spirit has made you overseers, to shepherd the church of God which He purchased with His own blood.

32. **MARK-OF-THE-BEAST PERIOD:** Revelation 13:15-17: *And there was given to him to give breath to the image of the beast, that the image of the beast might even speak and cause as many as do not worship the image of the beast to be killed. And he causes all, the small and the great, and the rich and the poor, and the free men and the slaves, to be given a mark on their right hand, or on their forehead, and he provides that no one should be able to buy or to sell, except the one who has the mark, either the name of the beast or the number of his name.*

Christians and retired adults - all those not working) for easier governmental control and so people will not become the elect and/or will not accomplish God's work.

Be aware, as previously introduced, we should do the above even if we believe differently (such as a wrong Pre Trib Rapture and/or believe our maturities can (will) for sure increase in heaven). "We must not under any circumstances allow our people to be caught blind sided and/or not work to gain this maximum maturity in Christ-likeness needed for all eternity (God has commanded that we gain this maturity now regardless of what happens in eternity●³³)."

Our church leaders must realize their main job is to maximumly mature their people in Christ-likeness (those who will respond) as an outcome.●³⁴ Their job is not just to have a church service, a sermon, and a Sunday School, aiming at having some spiritual growth (we want to achieve a maximum maturity outcome). See our document: *Keys to Becoming Maximally Mature in Christ-likeness In Godly Relationship Living*. If church and/or family leaders do not take care of their own (which is greatly happening today at least with a loss of excellence), they are worse than infidels (unbelievers) (1 Timothy 5:8). Is this not sin? The above document presents many needed steps we must live out in order to gain maximum maturity. It includes glorifying and worshiping God by what comes from Him, living as Christ lives by living out only what is in the Bible, including by love and by faith, We need to be involved in ministry of several types, know and stand on the basic Christian doctrines, and have personal devotions reading the Bible with much prayer.

A good place to start is to implement expository preaching, going verse by verse, with great application and living-life examples (testimonies) and emphasizing doing evangelization (with our people working as a team) resulting in new converts, and use the major hymns to worship God in spirit and in truth. This procedure will mature our people and draw people into the

33. **GAINING MATURITY:** If we are not here to gain maximum maturity, then why are we here? The testing and development environment would not be needed. We must be here to learn of the greatest love that we know that exists that was demonstrated by the Father working in Christ on the Cross. We, to become mature in Christ-likeness, must learn to live by this type love, implemented by keeping God's commandments and providing sacrificial service to others.

34. **THOSE IN OUR CHURCHES:** Our church people generally are composed of the gung ho, the most faithful, the learners, the watchers, new people, and unbelievers. 85% of our training must be for the gung ho, the most faithful, and the learners with God's whole counsel (complete curriculum), bringing them to maximum maturity. Not doing so, the church will remain immature and fewer will be involved in ministry We can have additional special meetings, for those who will respond, to train new people, the watchers, and unbelievers, bringing them up to speed. But we must not purposely dumb down most of our training in order to gain new people. Doing so, the church will not spiritually grow and the outreach ministry will suffer.

churches. They come because they see Divine life, not just good activity. But now many churches, not having this environment, are losing attendance. We can also have an additional contemporary service with the loud music with intermediate level training to draw others and as a place to evangelize. We can then work with people a little at a time to draw them into the hymn service.

"Of course, only God knows the endtimes timing." But, as presented, I have never seen the collective signs as strong as they are now that include signs of extreme weather causing massive flooding and destruction, and approving same sex marriages, that signal the endtimes Tribulation can come at any time. Times will be rough for our youth starting out now in life and for our children. "The Tribulation will come some time. We must be prepared in advance, even a few years early to ensure we will be prepared."

MAJOR ALERT AND NEEDED THINKING WITH ACTIONS: Because of the Tribulation's short time duration (and most of us will die in it), most carefully note as introduced, our young children and youth of today will not now live normal life spans. Their and our lives will be truncated. Thus, we must work with them now **"at high priority."** If we do nothing else, we should work with them (and ourselves) to become Christians so they can go to heaven, and train them to walk by very strong faith so they will gain more maturity in the endtimes and will not fall away under the coming persecution with martyrdom. God will no doubt save the younger children who have not yet reached the age of God accountability **We must not allow our children to remain unsaved or they will into the most terrible Lake of Fire "forever."** We must share our faith, using the Bible, and continue to work with them, having them personally read the Scriptures, without ever giving up on them. It helps to attend a church that has Divine life (that includes expository preaching and many new converts).

Doing the above is also good for good times. So there is nothing to lose by doing them. **"But not to do them is unthinkable. Is this not being irresponsible, and having greatly insufficient love for one's people?"** Do you want yourself and your people to be caught blind sided? I would not think so.

"Church and family leaders not doing the above in this lifetime also most likely will not have God's best for themselves and their people for now and especially for eternity." (Should not Church leaders expect great judgment for not obeying sufficient of God's requirements, needed to guide and train His people and do evangelism, especially the children?)

What are you and I going to do?●³⁵ Urgently prepare for the endtimes and eternity. Do not allow your people (and young children), as far as it depends on you, to be caught blind sided, as unbelievers, and/or unprepared for either the endtimes or eternity?

MOST SERIOUS PRAYER: None of us no doubt know all the details in advance for how the events of Revelation will unfold. We are to live by faith, trusting God, without knowing all the details. We do know they will be the most terrible of times coming. Christians will be greatly persecuted. We no doubt will have to work.

I do not know all the details, but I believe God has shared the overview needed to bring warning and be sure that we prepare for eternity. We definitely will go into the Tribulation, and we are here to gain maximum maturity in Christ-likeness so we can have a maximum and most wonderful experiential relationship to God where He directs our lives. Apart from walking with God, as we emphasize, there is nothing. And this earth will one day be destroyed by being burned up with fire. We will all face judgment and go into final eternal states. **We should want to have the best life "for all eternity" we can have. Thus, we should work in that direction with excellence, helping each other. None of us know it all.**

So give the situation "the most serious prayer" for what God wants you (all of us) to know and to do. Take urgent action towards gaining maximum maturity, especially to walk by very strong faith, and making good preparation for when the endtimes come. Avoid known sin. Implement our recommendations or similar ones. "By no means" sit on the sidelines believing most wrongly the current times will continue indefinitely and/or that we will be raptured before the Tribulation. **"Be sure to work most seriously with your young children and put together the needed materials and train to become maximumly mature."** I am willing to help train as needed, and I can certainly use your suggestions.

ACTION-ITEM GROUP: Church leaders should now appoint an "Action Item Group" of mature men to study the problem-situation and prepare a plan to implement the above recommendations, and then act urgently, getting workers, to carry out the plan. Otherwise the recommendations may not get implemented and/or then not before the times get much worse. We must be there for our church people.

35. **MY WEB SITE DOCUMENT: *LIVING BY GOD'S RIGHTNESS*:** My web site document contains: (1) Psalms we can use to praise God; (2) Promises to memorize by which to trust God; (3) About 300 commandments we need to obey; (4) the principles of love; (5) the Attributes of God; (6) The requirements for elders and deacons; and (7) Training for prayer. I generally read a few pages each day to remember what I once learned and forgot.
